The child may not necessarily speak, but what he sees in his eyes reflects his truest emotions. Actually teaches the child how to look at things from a different angle. First deal with emotions before solving problems. Finally school is over. My brother is impatient. Urge my sister to go home together. But why is your brother in a bad mood? It turned out that it was because of a zero-point test paper, so he looked gloomy and always bowed his head. The younger sister, who was wearing a red raincoat and holding a yellow umbrella, followed her elder brother. She was curious about everything. She kept observing the surroundings and spotted a line of ants marching at her feet.
