A ‘Love Story’ is made when one falls in love. But, when someone actually fulfills the commitments of love, a ‘Fairy Tale’ comes into existence. ‘Two Broken Hearts,’ is the heart-breaking love story of two school friends, Karan and Saumya. Karan, who glanced upon his love, Saumya, for the first time when he was only eleven years old. The very moment he saw her, he fell head over heels in love with her. But, as much as he loved Saumya, she hated him with equal measure. To impress the girl he adored, he not only changed himself but dedicated his entire life to her. And finally one day, they fell deeply and madly in love with one another. But as they say, good time doesn't last forever. Their love fell prey to the machinations of a selfish love, and the relationship they had nurtured together for years, trembled and fell apart in seconds. What would you do if fate decides to turn the tables on you, and forces you away from your plans to take up a path which you never wanted to tread? If the dreams you envisioned and desired are broken in a matter of seconds, would you stay and fight against your ill luck, or run away from reality, or accept whatever is happening? This book aspires to comfort those who are heartbroken, and make them realize that the end of a relationship doesn't mean the end of the pure emotion of love itself. Life does not stop after a break – up. Rather, it immediately moves on, though, living a new life, without the one we loved, can also seem akin to a walk through hell. This is not just a love story, but the success story of a boy who turned his pain into his strength, to reunite with the love of his life
