Chinese edition of The Piano Teacher. Set in the 1940's war time Hong Kong, the story satirizes the Chinese upper echelon, the prejudice and self-absorbed of the British colonialist. This is bound to become a classic for the depiction of the multi-cultural, multi-national characters. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

????:Real and abstract analysis

Keep one's word, you can gain the trust of others. The first zodiac story with a cat as a point of view that makes you feel, not only reveals the grievances between cats and mice, and other animals are not included in the zodiac ranking. The reason is different from the classic New Year's stories in the past. It hides your unexpected interest and four surprises: Surprise 1: The whole book uses cats as the point of view to state the origin of the Chinese zodiac. It will be easier for you to understand why cats chase after mice. Fight, the historical truth that mice only dare to come out at night.
