iChinese Books 3 and 4 are designed for the IB Chinese B Standard Level (SL) and Higher Level (HL) courses. The themes and topics in this series align closely with the new IB syllabus. Each book contains interesting reading texts, useful vocabulary lists, concise grammar explanations, engaging classroom activities and plenty of examstyle exercises in all four language skills catered to both SL and HL courses.Developed by two experienced Chinese language teachers who were exposed to the new IB syllabus well in advance, iChinese meets all the requirements of the new IB syllabus. It is an all-in-one, ready-to-use material for teachers and students.
