Fourteen-year-old Nikki Maxwell writes in her diary of her struggle to be popular at her exclusive new private school, then of finding her place after she gives up on being part of the elite group.
??????:Handbook of environmental design
The background of the story is set in Yu Hua's works before the end of the Qing Dynasty and the beginning of the Republic of China, dating back to the more barbarous and cruel era before To Live, and also show a broader geographical space from north to south. The long time and space, the various portraits of people, the ups and downs, and the fascinating storyline together constitute a tumultuous picture of the era.
