This book introduces the real life of wild cats and reveals where and how they live.
Chinese edition of SUM: Forty Tales from the Afterlives. A neuroscientist writes 40 stories, or rather, scenarios of afterlife that each one of us humans may live. He uses dark humor and wit to interpret the afterlife by way of how we lived this life. A great little book to carry around and read one story at a time. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.
Children's Fiction

By his second wife, Elizabeth Allen, whom he married in 1767, Dr. Burney had two children--a son, Richard Thomas, and a daughter, Sarah Harriet. The latter followed the career of her famous half-sister, and acquired some distinction as a novelist. Cousins Richard and Edward were younger sons of Uncle Richard Burney, of Worcester. Edward was successful as an artist, especially as a book- illustrator. He painted the portrait of Fanny Burney, a reproduction of which forms the frontispiece to the present volume. Some of his work may be seen in the South Kensington Museum. Chesington, where we shall presently find Fanny on a visit to Mr. Crisp, was an old roomy mansion, standing in the midst of a lonely common in Surrey, between Kingston and Epsom. It had belonged to Mr. Crisp's friend, Christopher Hamilton, and on his death became the property of his unmarried sister, Mrs. Sarah Hamilton, who, being in poor circumstances, let part of the house to a farmer, and took boarders. Of the latter, Mr. Crisp was the most constant, boarding at Chesington for nearly twenty years, and dying there in 1783. Kitty Cooke, whose name occurs in the “Diary,” was the niece of Mrs. Hamilton, and resided with her at Chesington. Mrs. Sophia Gast, whom we find a frequent visitor there, was the sister of Mr. Crisp, and resided at Burford, in Oxfordshire.
