But you'll also enjoy dozens and dozens more of different varieties, including devilish "Crushwords" where you have to put more than one letter in each square, and mind-blowing math and logic teasers known as pixel puzzles, where if your answers are correct you'll create a picture of success! And if that isn't enough, you'll also find word puzzles that demand "lateral thinking," and may well be the truest test of your abilities.

Chinese edition of Three Cups of Tea. The author, an avid mountain climber, was injured climbing the K2. He was rescued and nursed by the locals. During his recovery, he learned of his sister's premature death. These two events prompted him to rethink his life, and he decided to build a school for the children of this poor village. This memoir chronicles how what began as a return for kindness turned into a passion. In Traditional Chinese.
