In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Dr. Damadian would eventually decide on a career in medical research and pioneer this field of amazing research. Although in 1971 his concept of detecting tumors through magnetic resonance imaging was widely met with skepticism, he became the first researcher to do a full-body scan of a human being in 1977 in order to see if there was cancer present. His life has been an incredible journey of discovery helping you learn: How his concept for cancer detection was inspired and developed Why faith became an integral part of his work Why he is a strong supporter of the creativity and freedom found in patents. Hymns are more than beautiful musical compositions; they provide us with a heightened language for praising and speaking to God, all while teaching us theology that reflects both the depth and complexity of Our Lord. Sacred hymns in our day have given way to "fifth-rate poetry set to fourth-rate music," as C.S. Lewis once remarked. At times, the music used in worship can make us feel as though the culture is usurping the Church rather than being transfigured by it. There is a clear and present need to resurrect those distinctively different songs with a distinctively different vocabulary for people who want to live distinctive lives as followers of Christ. In these pages, Fr. George William Rutler introduces and

reflects upon dozens of the greatest hymns written from the earliest years of the Church through the Twentieth Century. The text and composition of each hymn is included, as well as inspiring accounts of their authors and composers, fascinating stories and historical events connected with them, and notes on the significant contributions each one made to theology and music. Fr. Rutler has recovered here a rich musical legacy that will help us to give glory to our God who is Lord of all.

"Jon knows, better than most, what it means to battle anxiety and how to forge a path to victory. He also treats it with care, and pushes the conversation to places that it hasn't often gone in the church." —Kirk Cameron In the aftermath of the pandemic, even those who have never struggled with mental health have found themselves reeling, looking for answers they don't know how to find. For Christians, especially those who've despaired of help from a church that has too often stigmatized mental health challenges as a lack of faith, the way forward can be particularly difficult to see. Jonathon Seidl aims to fix that. Having fought his own way through crippling anxiety, life-altering OCD, and suicidal thoughts, he knows the value of concrete advice grounded in strong biblical truth. Instead of the trite or unsympathetic counsel that's often given, *Finding Rest* is practical, personal, and productive. Full of compelling stories, humor from a guide who's still on his journey, and scriptural truths, this book offers real hope and help. It also provides a lifeline for friends and family who long for ways to help relieve the suffering of their loved ones.
