# The Eternal Tide Star Trek Voyager

When the U.S.S. Voyager is dispatched on an urgent mission to the planet Kerovi, Captain Chakotay and his first officer, Commander Thomas Paris, must choose between following their orders and saving the lives of two of those dearest to them. B'Elanna Torres and her daughter, Miral, are both missing in the wake of a brutal attack on the Klingon world of Boreth. With the aid of their former captain, Admiral Kathryn Janeway -- as well as many old friends and new allies -- Voyager's crew must unravel an ancient mystery, placing themselves between two warrior sects battling for the soul of the Klingon people...while the life of Miral hangs in the balance. But these events and their repercussions are merely the prelude to even darker days to come. As Voyager is drawn into a desperate struggle to prevent the annihilation of the Federation, lives are shattered, and the bonds that were forged in the Delta Quadrant are challenged in ways that none could have imagined. For though destiny has dealt them crushing blows, Voyager's crew must rise to face their future...and begin a perilous journey in which the wheel of fate comes full circle.

An original novel set in the universe of Star Trek: Voyager—and the sequel to the New York Times bestseller Protectors! Admiral Kathryn Janeway has now taken command of the Full Circle Fleet. Her first mission: return to the Delta Quadrant and open diplomatic relations with the Confederacy of the Worlds of the First Quadrant, a civilization whose power rivals that of the Federation. Captain Chakotay knows that his choices could derail the potential alliance. While grateful to the Confederacy Interstellar Fleet for rescuing the Federation starships from an alien armada, Voyager’s captain cannot forget the horrors upon which the Confederacy was founded. More troubling, it appears that several of Voyager’s old adversaries have formed a separate and unlikely pact that is determined to bring down the Confederacy at all costs. Sins of the past haunt the crew members of the Full Circle Fleet as they attempt to chart a course for the future. Will they learn much too late that some sins can never be forgiven…or forgotten? ™, ®, & © 2014 CBS Studios, Inc. STAR TREK and related marks are trademarks of CBS Studios, Inc. All Rights Reserved.

It's tough being a teenage Slayer. On the verge of failing her junior year -- thanks to annoying Principal Snyder, who seems to be acting even stranger than usual lately -- Buffy agrees to meet with a tutor. Not helping her studies is the fact that lately she's been exhausted, waking up each morning feeling more tired than she did the night before. To make matters even worse, she's tasked with investigating the disappearance of a child...a little girl who happens to have gone missing mere hours before a child vampire surfaced in Sunnydale, accompanied by a wheelchair-bound male who fits Spike's description perfectly. Fighting off exhaustion and uneasy at the prospect of staking a child vamp, Buffy learns that Principal Snyder is the target of a sleep-deprivation spell that has taken over Sunnydale. Putting aside her fear that her tutor is out to get her, and hoping that the sleeping spell is affecting both humans and demons, Buffy investigates Snyder's odd behavior. She follows him to his childhood home to discover that he has arranged to have his abusive mother banished to the demon dimension. Meanwhile, Drusilla, who has been playing mother figure to the child vampire, is learning how difficult it is to be a parent. As sleep takes hold of the citizens of Sunnydale, Buffy begins to realize that unless she breaks the spell soon, the nightmare is just beginning.

As the Cosmos Unravels The disruption in the space-time continuum caused by the creation of the "Blue Eye" singularity continues: Thread by thread, the fabric slowly frays and peels away, breaking down barriers between dimensions. As the lines between realities blur, the consequences cascade. A Sleeping City Awakes Voyager pursues Tuvok to a long-dormant space station, a place of astonishing grandeur and wonder. Ancient almost beyond imagining, the city seduces the crew with the promise that their greatest aspirations might be realized. Such promise requires sacrifice, however, and the price of fulfilling them will be high for Voyager. A Mysterious Power Stirs Unseen sentries, alarmed by Voyager's meddling in the Monoharan system, send emissaries to ascertain Janeway's intentions. Unbeknownst to the captain, she is being tested and must persuade her evaluators that their contention -- that Voyager poses a threat to the delicate web of cosmic ecology -- is baseless. And failure to vindicate her choices will bring certain retribution to her crew.
