Vita Da Giungla Alla Riscossa Capitan Cahouete

Italian cinema has been an influential, sometimes dominant, force in the world of filmmaking for over 100 years. Many world famous actors and production personnel have made their mark on the Italian screen. This is an encyclopedic reference and filmography to the nearly 5,000 people, Italians and foreigners, who have been involved in Italian filmmaking since 1896. Each entry provides brief biographical information on the person, along with full filmographic data on his or her films in Italy or for Italian filmmakers. The annotated title index includes Italian titles (and year) and English-language titles and alternate titles where appropriate. Conjoined to all of the title index references (to serially numbered personal entries), with the exception of acting credits, are mnemonic codes indicating specific areas of production (e.g., director, producer, camera, music, etc.).
