What do you call 600 lawyers at the bottom of the sea? Marc Galanter calls it an opportunity to investigate the meanings of a rich and time-honored genre of American humor: lawyer jokes.

Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary

anecdotes about Dan Quayle, Johnnie Cochran, and Kenneth Starr. Drawing on representations of law and lawyers in the mass media, political discourse, and public opinion surveys, Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the “legalization” of society. Informative and always entertaining, his book explores the tensions between Americans’ deep-seated belief in the law and their ambivalence about lawyers.

Compelled to go into hiding in the rural province of Zeeland, he is taken in by a seemingly benevolent family of farmers. But, as Ed comes to realize, the Van 't Westeindes are not what they seem. Camiel, the son of the house, is still in mourning for his best friend, a German soldier who committed suicide the year before. And Camiel's fiery, unstable sister Mariete begins to nurse a growing unrequited passion for their young guest, just as Ed realizes his own attraction to Camiel. As time goes by, Ed is drawn into the domestic intrigues around him, and the farmhouse that had begun as his refuge slowly becomes his prison.
