In a world of greedy bankers and volatile markets - Learn how to protect your savings and achieve your financial goals and dreams by using powerful practices that the richest 1% live by. There are two major sources of financial opportunities - and dangers: The first danger stems from the major financial institutions, such as banks and Wall Street: these companies pay their employees and executives high salaries and bonuses - with your money! How does it work? Their investment advice, for example, may be based on making you invest in what gives them (or their employers) the highest commission. This means that the advice their financial "advisors" give you - most of the time - actually serves their needs - not yours. The practices outlined in book will give you the tools necessary to turn the tables and manage your finances to achieve your needs and desires. The second danger is market volatility, which is expressed by inflation, deflation, fluctuations in interest rates, currencies and the stock market. The practices outlined in the book will give you the ability to take steps to protect your money in times of uncertainty. You will learn how to use the volatility of the market as leverage to your advantage, to maximize your investments and earn a lot more money! Are you a "hunter" or a "fisherman"? While "fishermen" wait for things to happen ... "hunters" create thier own reality! As a "hunter" in the world of personal finance management, you face survival in a world of banks and financial institutions determined to achieve their own goals - at the expense of

yours. Challenged by many dangers, eager to capture the best opportunities, you have to be equipped with the right tools. The Money practices outlined in the book will give you all the tools you need to become a successful "hunter" who knows how protect his money and achieve his dreams and goals in a world full of financial opportunities and dangers. As a successful "hunter" equipped with the money practices in this book, you will know: *How to create an income-generating asset from your savings. *The most effective way to receive benefits from your bank. *How to communicate effectively with advisors representing banks and investment companies - and as a result, you will be able to make optimal investment decisions that serve your needs only. *How to identify the best mutual funds and ETFs. *How to avoid buying exotic financial products - and why. *How to obtain higher gains on your investments, with minimal risk. *How to avoid the pitfalls set up by investment companies. *How to pilot your money in changing market conditions. *The investment habits of the richest 1%, which ones are right for you, and why you should adopt them. *What the existing investment products are, and how you can use them to profit more with your money. *What to demand from the financial experts managing your money, and how to get it. Jacob Nayman's book reveals the financial practices used by the world's wealthiest. The information is rooted in Nayman's extensive experience - distilling more than 15 years of expertise in his role as a leading investment adviser to the rich. The financial practices outlined in the book give you the optimal toolkit for the practical management of your financial investments, enabling you to maximize your profits in a world full of financial opportunities and dangers.

P. T. Barnum, the great American showman of the 19th century, wrote this short book about making and keeping money. He certainly had life experiences that

qualify him for the subject--he started a small newspaper in his twenties, bought and transformed a museum into a showplace for curiosities, built a circus empire that gave performances in America and Europe, promoted a performing tour of a singer, fell into debt in the 1850s and pulled himself out by lecture tours, was a mayor, and founded a hospital. Excerpts: "Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. ... True economy consists in always making the income exceed the out-go." "Unless a man enters upon the vocation intended for him by nature, and best suited to his peculiar genius, he cannot succeed. I am glad to believe that the majority of persons do find their right vocation. Yet we see many who have mistaken their calling..." His advice is indicated by the chapter titles: DON'T MISTAKE YOUR VOCATION, SELECT THE RIGHT LOCATION, AVOID DEBT, PERSEVERE, WHATEVER YOU DO, DO IT WITH ALL YOUR MIGHT, USE THE BEST TOOLS, DON'T GET ABOVE YOUR BUSINESS, LEARN SOMETHING USEFUL, LET HOPE PREDOMINATE, BUT BE NOT TOO VISIONARY, DO NOT SCATTER YOUR POWERS, BE SYSTEMATIC, READ THE NEWSPAPERS, BEWARE OF "OUTSIDE OPERATIONS", DON'T INDORSE WITHOUT SECURITY, ADVERTISE YOUR BUSINESS, "DON'T READ THE OTHER SIDE", BE POLITE AND KIND TO YOUR CUSTOMERS, BE CHARITABLE, DON'T BLAB, PRESERVE YOUR INTEGRITY.

Listen, YouTube is media. It can provide you and your business with leads, clients, and even income immediately using Google AdSense. But, your major objective is to communicate, create channel subscribers, drive traffic back to your website, generate leads, and most importantly new customers for your business. In other words, you need to view YouTube as another form of media! And a very good one! According to YouTube they have over 1 billion new users visit their website and these folks are watching 6 billion hours of video, EVERY SINGLE MONTH! That works out to about 1 hour every month being watched, by every human being on earth! And Nielsen reports that YouTube reaches more US adults aged 18-34 than any cable network! Clearly, this is somewhere you need to be! If not, you will be left behind in 2014. And I can personally attest that this is an effective marketing tool that has been instrumental in building my business. I've been working from home, full time, since 2006, earning a very affluent income. In 2012, I even appeared on National TV in my own infomercial. It is cool to be able to say I've appeared on ESPN, MTV, National Geographic, A&E, VH-1, Comedy Central, and many more cable TV networks. I don't say this to brag, but

Email marketing effectively is not rocket science. It is much more about human relationships. Did you know ... I ran a national TV commercial airing on ESPN, MTV, A&E, VH-1, Comedy Central ... In this commercial my call to action was to visit a website and sign up for my list, then I would follow up with these folks using email marketing ... I also lost the gifts of communication (speaking, writing, reading, etc.) with a brain aneurism bursting and subsequent surgery. I can vividly recall one afternoon in the ICU when I was unable to communicate and resolved myself to wetting the bed at age 13. If I can learn this ... I KNOW YOU CAN TOO! Chapter 1 ...
