The visual feast that is Dorset is enjoyed by millions – visitors and locals alike. But few are lucky enough to enjoy the Jurassic coastline 'from the outside looking in.' This book has been photographed entirely from the sea by sailor and marine photographer Steve Belasco who has cruised the area in small boats for over 20 years. Steve's love of Dorset's waters, those who enjoy them and the people and creatures that depend on them, leaps from every page.

A world list of books in the English language.
