

1st Grade Dinosaur Book Name That Dinosaur

Everyday Success(TM) Activities makes learning fun for children in first grade. Make every day count during your child's developmental years. Packed with fun activities that support early learning, each title reinforces the basics of reading and writing with entertaining alphabet activities, number activities, puzzles, and games. Colorful pages feature "One Step Further" activity ideas that encourage active learning while building the 21st century skills of communication, collaboration, creativity, and critical thinking. An illustrated record book of sauropod facts and figures--the hugest, the oldest, the most intelligent, and more The sauropod dinosaurs roamed the planet for millions of years, with creatures ranging from the smallest of the sauropods, Magyarosaurus, to the huge Argentinosaurus. This illustrated book of records is an essential compendium of sauropod facts and figures--from the biggest and the oldest to the smallest and the rarest. It covers every known species and features more than 2,000 diagrams and technical drawings along with hundreds of full-color reconstructions of specimens. The book is divided into sections that put numerous amazing sauropod facts at your fingertips. "Comparing Species" is organized by taxonomic group and gives comparisons of the size of species, how long ago they lived, and when they were discovered. "Mesozoic Calendar" includes page spreads showing the positions of the continents at different geological time periods and reconstructions of creatures from each period. "Prehistoric Puzzles" compares bones and teeth while "Sauropod Life" presents user-friendly graphics to answer questions like what did they eat and which was the most intelligent. There are sections that chart sauropod distribution on the contemporary world map, provide illustrated listings of footprints, compile the physical specifications of all known sauropods, and more. The essential illustrated record book for anyone interested in dinosaurs Features a wealth of comparative records Includes more than 2,000 diagrams and technical drawings and hundreds of full-color reconstructions Covers all known sauropodomorph species Provides listings of footprints, biometric specifications, and scholarly and popular references

Get the brilliant book about starting school, from bestselling author A. Goss. Starting school is a new and exciting time in every child's life. It can also make a little dinosaur feel a bit nervous too. There are so many new things to think about! Join Dash on their first day at school and find out things like:- What do you have to wear and what do you bring to school?- What is your new teacher's name and what will they be like?- What does your classroom look like and what new things will you be learning?- Will you make friends?It's vital that all children can see themselves in the stories they read, which is why all Dash Dinosaur books are designed to be inclusive. In the words, pictures and stories you'll read, we endeavour to:Avoid distinguishing everything according to gender and avoid gender stereotypes.Be attentive of different cultures and diversity.Have a running theme of kindness, empathy and understanding of others feelings.When it comes to inclusivity, we won't claim we get everything right for everyone. Every one of us is learning all the time and we promise to listen and learn, so let us know what you think of our books. We're all ears. :)
