## Children's Fiction

Looking out into the universe, most of us have asked at one time or another, "Is anybody there?" Some have yet to hear an answer. Others have found the answer lies much closer, even in the events of their own lives. What they have experienced is so convincing it leaves no doubt. The script being followed shows a wisdom far greater than any human mind, and a goodness none of us understands or deserves. These remarkable stories show what happens when God comes along and when ordinary people have the faith to trust in Him.

year to make a point to non-believers and nations that choose to move further away from His words and practices.

The Hicknut Tree is whatever you want it to be. It is a love story, an historical fiction, an examination of a man in mid life crisis and even a faith based fiction, but don't stop there. The Hicknut Tree is more than all of this. In reality it is a parable of the evils of socialism... a clash of ideals. What happens when a man's personal vision is in conflict with another man's and what happens when that second man has the full force of the government behind him. Can individualism triumph over "the common good"?

The idea of the complete annihilation of all life is a powerful and culturally universal concept. As human societies around the globe have produced creation myths, so too have they created narratives concerning the apocalyptic destruction of their worlds. This book explores the idea of the apocalypse and its reception within culture and society, bringing together 17 essays that explore both the influence and innovation of apocalyptic ideas from classical Greek and Roman writings to the foreign policies of today's United States. Religion Online provides new insights about religiosity in a contemporary context, offering a comprehensive look at the intersection of digital media, faith communities, and practices of all sorts. • Shows how religion is as important as politics in contemporary public affairs • Breaks new ground on the subject of media and religion (e.g., studying actual audiences, exploring cultural religion outside denominations, and synthesizing

God asks us to dream big and follow a challenging path filled with joy and revelation. But sometimes God falls silent while we're on that journey. What do we do when we can't hear God's voice anymore? Raised in a loving, Christian home, Jennifer had wandered away from her faith and endured years of struggle in a difficult marriage. When that marriage finally ended, she found herself questioning God's plan for her life, for her family, and for herself. She resolved to find God in the midst of the turmoil, though, and God reached out to her. God provided during the dark times, and led Jennifer back to the church and a wonderful marriage. God even gave her a vision for a new work that she began to pursue! But in the midst of pursuing that vision, the road took a turn and Jennifer's vision for her ministry began to waver. In this powerful and honest book, Jennifer talks about how she maintained her focus on God's vision for her life, and how we can do the same. Using her own stories, reflections on scripture, and the abiding promises of God's love, Jennifer talks candidly about her struggle with faith and God's promises, and the joy that comes from realizing that God will never let us down. a moving testament to God's love for each of us, and the joy that can be found as we chase after God's dreams for our lives.

Don Ray Hope has unlocked how similar events repeat with mathematical precision throughout history. God designed His perfect universe this way. Thus with mathematics you can predict the future! The forecasts of Washington, Daniel, Ezekiel, Jesus and other prophets are arranged in a specifically dated timeline and the future of America is laid out in stunning detail. America is at a turning point. Most Americans will not live to see 2024 will you? The guideposts are contained herein. The families that own the Federal Reserve are the same families that nearly one hundred years ago inflated the German mark to worthlessness. The result was WWII and the destruction of Germany. The USA shall suffer the same fate. The dollar will collapse, WWIII will break out and the US government will collapse and be destroyed. The truth God told George Washington via an Angel at Valley Forge was that later America will rise from the ashes of this war and that America's Victory is guaranteed.

The first in a terrific series by New York Times bestselling author Ellery Adams. Welcome to Hope Street Church, where friendships are formed, fresh starts are encouraged, and mysteries are solved. Cooper Lee was at a crossroads. Her boyfriend of five years had just left her for another woman, she was living in an apartment above her parents' garage, and her job as a copier repairperson was feeling a little, well, repetitious. Hoping for a fresh start and a new outlook on life, she

joins the Bible study group at Hope Street Church. The last thing she expects while studying the Bible is a lesson in murder. When Brooke Hughes, the woman who first invited Cooper to Hope Street, is found murdered in her home, all signs point to her husband as the culprit. But Wesley Hughes was an elder at Hope Street Church, and the members of the Bible study are filled with disbelief that such a kind and loving man could take a life, much less his wife's. Unwilling to let an innocent man and friend be railroaded into prison, the Bible group decides to investigate on their own. As Cooper and this humorously diverse group of people—including a blind folk artist, a meteorologist with a taste for younger women, and a soft-spoken web designer who might be out to catch Cooper's eye—dig deeper into the clues, they're about to discover that finding the truth sometimes takes a leap of faith. Includes heavenly recipes from Magnolia Lee's kitchen! A Note from the Author: Dear Reader, The Hope Street mysteries were originally published by St. Martin's Press and written under the name Jennifer Stanley. The titles, in order, were *Stirring Up Strife*, *Path of the Wicked*, and *The Way of the Guilty*. I have completely rewritten all three novels and am now publishing them under the name Ellery Adams as *The Path of the Crooked*, *The Way of the Wicked*, and *The Graves of the Guilty*. If you've read the original books, you will find the basic plot of the above titles unchanged. My intention was to polish the writing in each installment and rerelease the novels as crisper, cleaner, more engaging books. Stay tuned for forthcoming novels in the Hope Street mystery series as
