The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: "In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection." Moreover, as the Second Vatican Council put it, "every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them." This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

This book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year! The Lord established a calendar. His calendar. The Hebrew calendar. He has not changed it or gotten off of it. We have. Hidden like a treasure beneath the surface of our modern-day Gregorian calendar, lies a timepiece of The Ancient of Days, one which the enemy has tried to alter. "He (Satan) will speak out against the Most High and wear down the saints of the Highest One, and he will intend to make alterations in times and in law." Dan 7:25 Are you feeling worn down lately? It probably has to do with how you are observing time. However, now you know who has been behind it. Nevertheless, we do not lose heart. We are encouraged because time is good, for He created time. The Lord is outside of time. He redeems time and has made time for us and for His purposes. As you open this calendar and journal, you will discover... How The Lord established and keeps time, The Lord's appointed times and why He set them, The Hebrew months and how they correspond to the Gregorian calendar, The prophetic characteristics embedded in each month, A practical way to record your prayers and praises His prophetic timing manifesting in your life. May this calendar and journal revive you with His hope and revelation and draw you closer to the Lord, who created you and time itself. Truly our times are in His hands. "So teach us to number our days, that we may present to You, a heart of wisdom." Psalm 90:12
