Ghoulia lives in Crumbling Manor with her Auntie Departed and spends most of her time playing with Tragedy, her beloved albino greyhound. But things aren't as easy as they seem for this little zombie girl—all she wants is a real friend. She tries to venture past the manor's walls, but she can't hide her pale green skin or the deep purple circles under her eyes. The other children will be afraid of her, and no one will want to be her friend. But when Halloween rolls around, Ghoulia hatches a brilliant plan. All the other, ordinary children will be dressed up like monsters, so Ghoulia can go out into the town and be entirely herself. In the end, all the kids realize that Ghoulia is (almost) just like them and learn that friendship can come in many forms.

My First Reading Book is a tool to help teach beginner readers how to read. It is a good next step for children who have just mastered the alphabet and sounds of each letter. Intentionally, there are no pictures in this book, instead the focus is upon the words themselves, to keep distractions to a minimum. It starts with some 3 letter words, then moves on to 4 and then 5 letter words, then finishes by using most of the words in short, complete sentences. It's perfect for helping them to 'sound out' words and learn by memorization a few very common simple words that are used frequently in the English language.

Watch how proud children will be at mastering a new skill, reading!
