Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Prepare to be shocked. From the man The Wall Street Journal hailed as a "Swifitean satirist" comes the most shocking book ever written! The Borowitz Report: The Big Book of Shockers, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Un guide pratique pour apprendre à réaliser un magazine de A à Z Parce qu'il ne suffit pas de connaître les logiciels de PAO et de création ou de retouche d'images - comme InDesign, Illustrator ou Photoshop - pour créer des documents de qualité professionnelle, ce manuel propose une étude de cas concrète de production graphique à travers la réalisation complète d'un mini magazine culturel. Des premières idées jetées sur le papier à la conception et à la réalisation de la maquette, de la création d'habillages et d'effets graphiques à la préparation des images et des fichiers pour l'impression, cet ouvrage est destiné, aux élèves débutants des métiers de fabrication de documents en prépresse et multimédia mais aussi à tous ceux qui ont en charge la réalisation de revues (services de communication des PME, associations, etc.). Une collection à la disposition des enseignants et des élèves Conçue par des enseignants, cette collection d'ouvrages didactiques et très illustrés est une véritable synthèse des connaissances de base pour les industries graphiques et s'adresse aux élèves des CAP Dessinateur ECG, des cours de technologies des classes de 4e et de 3e, des BEP Communication et Industries graphiques, des Bac Pro Métiers d'arts et Communication visuelle, des GRETA, etc.
