Traditional Chinese edition of Half the Sky by New York Times columnist Nickolas Kristof and Sheryl Wudunn, both Pulitzer Prize winner. "Half the Sky" is a required reading in college campuses. The book is an emotionally rendering read as it exposes the abusive treatment of women in many parts of the world. But if and when the women had the opportunity and were empowered, say the authors, they can, as the Chinese saying goes, hold up half the sky. The last chapter offers simple actions anyone can take to help empower women! In Chinese. Distributed by Tsai Fong Books, Inc.
