A tool to communicate with God and his Angels as never before existed.

A number of traditions have lists of many names of God, many of which enumerate the various qualities of a Supreme Being. The English word "God" is used by multiple religions as a noun or name to refer to different deities. Ancient cognate equivalents for the word "God" include proto-Semitic El, biblical Hebrew Elohim (God or/of gods), Arabic 'ilah (a or the god), and biblical Aramaic Elah (God). The personal or proper name for God in many of these languages may either be distinguished from such attributes, or homonymic. For example, in Judaism the tetragrammaton is sometimes related to the ancient Hebrew ehyeh (I will be). Correlation between various theories and interpretation of the name of "the one God", used to signify a monotheistic or ultimate Supreme Being from which all other divine attributes derive, has been a subject of ecumenical discourse between Eastern and Western scholars for over two centuries. In Christian theology the word must be a personal and a proper name of God; hence it cannot be dismissed as mere metaphor. On the other hand, the names of God in a different tradition are sometimes referred to by symbols. The question whether divine names used by different religions are equivalent has been raised and analyzed. Exchange of names held sacred between different religious traditions is typically limited. Other elements of religious practice may be shared, especially when communities of different faiths are living in close proximity (for example, the use of Om and Gayatri within the Indian Christian community) but

usage of the names themselves mostly remain within the domain of a particular religion, or even may help define one's religious belief according to practice, as in the case of the recitation of names of God (such as the japa). Guru Gobind Singh's Jaap Sahib contains 950 names of God. The Divine Names, the classic treatise by Pseudo-Dionysius, defines the scope of traditional understandings in Western traditions such as Hellenic, Christian, Jewish and Islamic theology on the nature and significance of the names of God. Further historical lists such as The 72 Names of the Lord show parallels in the history and interpretation of the name of God amongst Kabbalah, Christianity, and Hebrew scholarship in various parts of the Mediterranean world. The attitude as to the transmission of the name in many cultures was surrounded by secrecy. In Judaism, the pronunciation of the name of God has always been guarded with great care. It is believed that, in ancient times, the sages communicated the pronunciation only once every seven years; this system was challenged by more recent movements. The nature of a holy name can be described as either personal or attributive. In many cultures it is often difficult to distinguish between the personal and the attributive names of God, the two divisions necessarily shading into each other. This book discusses God and the names given to God in the three primary monotheistic religions.

Chaye Ha-Olam Ha-Ba is Abraham Abulafia's masterpiece, and a primer on prophetic Kabbalah. Prophetic Kabbalah is a special flavor of Jewish mysticism that owes its name to the Abulafian School. It is different from every other type of Kabbalah, because it does not talk about Sefirot, divine emanations, worlds, etc., but concerns itself with the inner transformation of the self and the direct experience of God. Through the aid of the Hebrew letters and various

meditation techniques, the apprentice is led into higher states of consciousness, in order to know his God that created him. Enlightenment is the outcome of those techniques, which open the gates of a new world - the World to Come, or the Next World - to the sincere seeker. The system in Chaye revolves specifically around the 72 Names of God, which are the Expanded Name YHVH. It requires much concentration, because it is not easy, but it is one of the most astonishing techniques. Abulafia describes it as "scientific," because touching certain "divine frequencies" something is going to surely happen. Maybe it will not happen at once, but nevertheless the holy mechanism will begin its motion, and sooner or later this has to lead somewhere. "And when you prepare yourself to speak with your Creator, and ask to be informed of His Decrees, be mindful to clear your thought of all the clutter of the world. And wrap yourself with a prayer shawl, and wear Tefillin on your head and your hand if you can, so that you will be in awe and fear of the Shekinah, which is there with you at that time. And clean yourself and your clothes; and if you can, be sure that your clothes are all white, for all this is very conducive to the intention of love and awe. And if it takes place at night, light many candles until you can see well. Then, take ink, a quill, and a board in your hands. And let them stand as witnesses before you that you are coming to make worship to YHVH your God with joy and a good heart. And begin with a Permutation of a few letters with the many; and invert them and revolve them quickly, until your heart warms up with their revolutions. And pay attention to their motions and what you produce with their revolutions. And when you feel within you that your heart has heated up with the Permutations, and that with them you came to understand new things that you had not received by Kabbalah from another person and had not come to know through your intellectual contemplation, then now you are ready to receive

the Influx." (Chaye Ha-Olam Ha-Ba)

According to the 72 Angels tradition, at every moment a particular nameable angelic energy is available for us to appeal to, receive help from, and empower ourselves with. Weaving together three areas of popular interest -- angels, astrology, and the Kabbalah -- Birth Angels invites you to discover the three angels that correspond to the domain of your birth and your particular life purpose and potential. One of the first comprehensive presentations in English of the 72 Angels of the Tree of Life, Birth Angels sheds new light on our age-old ideas of guardian angels. Based on a unique multitraditioned aspect of the Kabbalah that was discovered in the 1975 excavation of a medieval grotto in Spain, this inspiring guide offers a three-step path for activating the Angelic Energies that dwell within us. Designed for the intent seeker or for use as an occasional reference to engage both our own personal angelic allies as well as those of friends and family, Birth Angels is a unique self-study tool that can help transform our lives on every level. The 72 Names are mystical sequences of Hebrew letters, which can heal, bring protection, sustenance and more. This book is divided into 20 chapters. Each chapter begins with an introduction and inspiration. Afterward you will be introduced to one of the 72 names and will be instructed how this name can help your transformation. It is said that there are 4 approaches and levels to biblical understanding and study. . The Surface and Literal meaning of the words themselves. . Hints of a deeper meaning beyond the surface words . A Deeper inquiry . Secret and esoteric meaning Each level of biblical exegesis transcends but includes the former and will never contradict the other. In this book we will delve into the deep end of the water, the secret and esoteric meaning. We will unlock the secrets of the Hebrew bible. More specifically, 3 verses from the book of exodus. " 19 Then the angel of God who was going before the host of Israel moved and went behind them, and the pillar of cloud moved from before them and stood behind them, 20 coming between the host of Egypt and the host of Israel. And there was the cloud and the darkness. And it lit up the night[a] without one coming near the other all night. 21 Then Moses stretched out his hand over the sea, and the LORD drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided." Exodus 14:19-21 Within this text hides something profound and hidden. Within this text lies the keys to spiritual and material transformation. Within this text resides the secret of secrets. Within the text hides the 72 names of God. Today, My friend, you will learn them and you will be transformed." In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or

night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actually, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

Christians face a conundrum when it comes to naming God, for if God is unnamable, as theologians maintain, he can also be called by every name. His proper name is thus an open-ended, all-encompassing list, a mystery the Church embraces in its rhetoric, but which many Christians have found difficult to accept. To explore this conflict, Valentina Izmirlieva examines two lists of God's names: one from *The Divine Names*, the classic treatise by Pseudo-Dionysius, and the other from *The 72 Names of the Lord*, an amulet whose history binds together Kabbalah and Christianity, Jews and Slavs, Palestine, Provence, and the Balkans. This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists' rhetorical potential to create order and to function as both tools of knowledge and of power. Despite the two different

File Type PDF 72 Names Of God For Kids A Treasury Of Timeless Wisdom Technology For The Soul

visions of order represented by each list, Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God's protection and the metaphysical desire to submit to his infinite majesty—a compelling claim sure to provoke discussion among scholars in many fields.

If you have read the other books in the "Tapping Miracles Series" you know that I try to provide new ways of applying Meridian Tapping. Meridian Tapping has been PROVEN to work, there is no doubt about that. We know that that are several ways Meridian Tapping can be used. We know that there are several ways to approach the life of spirit. Both Spirit and Meridian Tapping are based on universal principles that I think most, if not all of us agree is real and true. Since both Spirit and Meridian Tapping are so diverse, yet universal at the same time, I think it is more than appropriate to combine the Power of Spiritual Paths and Meridian Tapping. Meridian Tapping is like a universal key. It can unlock the potential in every single modality we introduce it to. In this book, we will apply Meridian Tapping and The 72 Holy Names of God that has been gleaned through the Sanctified Paths of Jewish Mysticism known as the Kabbalah. Although This book is not specifically about the Kabbalah, it does have veins of the mystical tradition throughout it. This book is a bit longer than the others in this series because we will be going through every single Name of God and doing a tapping session with each one . Once you incorporate the Names into your tapping practice a new world of possibilities can open up for you. The names themselves are hidden within the Bible.

A mystical place exists in the Universe where way-showers visit. Their visits occur in dreams, meditation, and contemplation. In the realms beyond Earth-time, these dimensions of higher consciousness present gifts for humanity to enhance living in matter. As a traveler through the dimensions, I am grateful to be a recipient of many modalities for healing and guidance from the realms of Spirit. I am an energy healer, a spiritual counselor, intuit, teacher, minister, and author. I most certainly give honor to the gifts the Shekinah has provided to me to pass on to others, such as yourself. The Timeless Cryptograms of Healing(R), guide the

way to higher consciousness and experiences of the mysteries active in our daily life. These sacred images support our human endeavors Spiritually, Emotionally, Mentally, Physically, Ego-wise, and Soul-wise. Several years ago, the Divine Feminine inspired the vision of sacred cryptograms in my dreamtime. In more recent years, She urged me to explore the gifts inherent in the Hebrew 216-Letter Name of God divided into 72 individual names. She directed the creation of cryptograms for each one. Please refer to "About the Author," to learn my story of becoming a cryptographer for the Divine. The 72 Names of God, derived from the 216-Letter Name of God, have existed for thousands of years. Ancient Hebrew Mystics revealed them. Divine inspiration led Moses to identify these names while studying the Zohar 11:51b. Other scholars recognize the same information in Exodus 14:19-21, when written in the Hebrew or Aramaic languages. Hebrew theologians conclude that Moses used these names to part the Red Sea, as well as to rule and meet the challenges he and his people endured. The secret mysteries of supernaturalism allowed Moses to break the yoke of human limitations. Moses passed this wisdom on to future generations. I received guidance to place each Name of God in the cryptograms you will see and use. CD recordings and Divination Cards can also enhance your use of the cryptograms to feel the mystical vibrations of Source that move through the

currents of Sound and Light. As you review what the Names of God offer for healing and enlightenment, consider the remarkable balance the Divine offers and has offered for countless years through these iterations of sacred names revealed through Divine Guidance. Moses discovered these ever-present gifts. Over the centuries many scholars, religions, and healers aware of the miracles within the 72 names, continued to pass them on for generations. What mysteries and healing qualities of these cryptograms will you explore? Merely viewing the cryptograms with an open mind and heart results in relaxation, balance and activates Light and Sound. Adding the orchestration of tuning forks increases the vibration. As if by magick, the cryptograms evoke the Inner Healer. Balance, health and success are experienced. The Timeless Cryptograms of Healing(R) in this book represent the tip of the iceberg. Since 2013, the impetus to create hundreds of cryptograms consistently arises in my dream time, meditations, and when contemplating healing for a specific person. They are miraculous. They are timeless. They are the very active energy of the Light and Sound of Source. Each cryptogram consists of the three Hebrew Letters that represent a Sub-Name of God. Each letter corresponds to a specific musical tone. In addition to the tuning fork related to each letter, an additional fork stimulates the pineal gland. The I AM fork strikes the others to create an orchestration of tones and overtones within

the Oneness of the Universe. Seed-like vibrations of potential that help achieve healing and enlightenment are imbedded within each individual. The sight and sound of the cryptogram activates these seeds to grow and expand. The orchestra of Light and Sound initiates the power of the Name of God, and harmonious waves of healing and balance.
