The imagery of a sculptor chipping away to free an angel from the stone suggests the idea that children have "miraculous human" qualities that can be released if a sculptor takes the time to free the child. In this book Doug Whitener asserts that parents and teachers are the lead sculptors who can help free children to live meaningful and responsible lives. Mr. Whitener draws upon forty-five years of experience as a parent and as an educator to outline key child guidance ideas. The reader is tr
