

A Commentary On Romans

This commentary articulates the meaning of the Greek text of Romans in its original context for the benefit of the church and world today. Those without any knowledge of Greek will also profit from utilizing the volume. It provides insights that will enhance the understanding and effectiveness of scholars, pastors, and teachers who have the privilege of proclaiming Paul's most famous letter. This commentary seeks to be theologically thorough in as few words as possible. Romans is the Spirit-breathed, living, and powerful Word of God. Its purpose is to bestow the righteousness of God, which comes through faith alone, and to inculcate the life of faith in and through our Lord Jesus Christ.

A Commentary on Romans

No description available

Introducing the new Wesleyan standard for interpreting the Bible in the 21st century. Written by notable experts in the Wesleyan theological tradition, this indispensable commentary will help you unlock the truths of Scripture and deepen your appreciation for the message and meaning of each book of the Bible. Each volume features: completely new scholarship from notable experts in the Wesleyan theological tradition; convenient introductory material, including information on authorship, date, history, audience, sociological/cultural issues, purpose, literary features, theological themes, and hermeneutical issues; clear verse-by-verse explanations, which offer a contemporary, Wesleyan-based understanding derived from the text's original language; comprehensive annotation divided into three sections, which explore background elements behind the text; verse-by-verse details and meanings found in the text; significant, relevance, intertextuality, and application from the text; helpful sidebars, which provide deeper insight into theological issues, word meanings, archaeological, connections, historical relevance and cultural customs; an expanded bibliography for further study of historical elements, additional interpretations, and theological themes. - Publisher. This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

Situating Paul's texts in the context of early Jewish messianism, this book is part of a set of critiques devoted to the period when Judaism and Christianity were not fully distinct, placing Paul in the context of what has been called "Judaean-Christianity." The exploration of messianism leads to the other figure discussed, Walter Benjamin.

"Complete biblical texts with sound, scholarly based commentary that is written at a pastoral level; the Scripture translation is that of the New American Bible with Revised New Testament and revised Psalms (1991)"--Provided by publisher.

This substantive evangelical commentary on Romans by a leading biblical scholar is one of the most popular in the award-winning BECNT series (more than 25,000 copies sold) and has been praised as a great preaching commentary. This new edition, updated and revised throughout, reflects Thomas Schreiner's mature thinking on various interpretive issues. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text, extensive research, thoughtful verse-by-verse exegesis, and a user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.

World-class biblical scholar/author Fitzmeyer has written a masterful study on Paul's Epistle to the Romans that will rival the great commentaries on Romans by Martin Luther and Karl Barth. Fitzmeyer is the author of the popular Anchor Bible commentaries on the Gospel according to Luke.

A translation of Barth's classic commentary on the Pauline Epistle

This essay examines a famous verse from Romans which relays the gift of justification offered to us by God. The doctrine of imputed righteousness is also contrasted to false notions of infused righteousness. This is the new, edited version. The Eerdmans Classic Biblical Commentaries series collects the best and most trusted Eerdmans commentaries from years gone by in a format that will make them available to readers for years to come. Some of the ECBC volumes were originally published in major commentary series, others as freestanding books. Some were first published decades ago, others more recently. Though written over the years for various levels of readers, the Eerdmans Classic Biblical Commentaries all have this in common: pastors, scholars, and serious students of the Bible continue to read them, study them, and rely on them to help unlock the meaning and message of the Scriptures. First published in 1985, this book offers an accessible, nontechnical abridgment of C. E. B. Cranfield's magisterial two-volume Romans commentary in the International Critical Commentary series. N. T. Wright called that ICC installment "the finest work on Romans to appear this century" and F. F. Bruce hailed it as "well worthy to take its place alongside the really great commentaries on Romans." Following a brief introduction, Cranfield provides section-by-section and verse-by-verse commentary on Romans, based on his own translation from the Greek.

This exposition on Romans is clear in language, simple and warm in teaching, rich in practical application, and faithful to Scripture. It is addressed not to the scholars, but to the very same audience for whom the apostle wrote the epistle: the "beloved of God, called to be saints."

expository on the Bible Book of Romans

The book of Romans is one of the best-loved books in the entire Bible. Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians. Further, the acknowledgment that we are not under law, but under grace has given Christians freedom from the bondage of legalism for centuries. However, Romans is a complex book filled with difficult theology. To make this revolutionary book more accessible to the common man, Alan Johnson has written Everyman's Bible Commentary on Romans. The original two volumes are now combined into one complete volume. The commentary is also updated, expanded, and revised. The easy style and careful presentation make this an excellent commentary for laymen and pastors alike. Study Paul's discussion of the believer's new life in Christ, with their release

from sin and death, and the faithfulness of God. Be encouraged and strengthened with a more in-depth understanding of your position before Christ with this commentary on Romans.

Here's the perfect commentary to help readers understand biblical truths and communicate those truths to others. The verse-by-verse expositions highlight and explain important Greek words from the original manuscripts. They also examine the difficult theological concepts. A great reference for laymen, teachers and preachers. Bound in an attractive hardcover with dust jacket.

These study guides, part of a set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are invaluable tools for Bible students of all ages. This work on Romans 1-8 is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of the Bible. This New Testament commentary series reflects the objective of explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of Scripture. This volume is a study of the first eight chapters of the Book of Romans.

Delve Deeper into God's Word In this verse-by-verse commentary, Robert Gundry offers a fresh, literal translation and a reliable exposition of Scripture for today's readers. Paul's letter to the Romans has been appropriately termed the cathedral of the Christian faith. Gundry's commentary on this profound book will help readers grasp one of the most valued parts of Scripture. Pastors, Sunday school teachers, small group leaders, and laypeople will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. This selection is from Gundry's Commentary on the New Testament.

"Christians may not have shared the details of the particular situation of the Roman followers of Jesus, but they have shared for centuries the concern about what faith means for life, and they have turned to Paul to understand what it means to be faithful to our faithful God." --from the introduction For centuries, the apostle Paul's reflections in the book of Romans have shaped Christian thinking about the gospel of Jesus Christ and how we can be faithful to the gospel. Key theologians including Augustine, Luther, Wesley, and Barth have wrestled with Romans and listened to it, understanding it in relation to questions of their own times. In her theological commentary, Sarah Heaner Lancaster helps us hear Romans anew for today. She considers major elements such as the old and new perspectives on Paul, justification, the relation of Jews and Christians, Empire, and disagreements in the church. Lancaster helps us recognize the importance of the letter during the time it was written, as well as its ongoing meanings now. Paul's insights go beyond the pragmatic to the theological, which gives Romans its enduring significance and ongoing value. Lancaster's excellent commentary helps us for preaching, teaching, and worship to hear Paul's message afresh and to be strengthened and challenged in our Christian faith.

Morris tackles the complexities of faith and interpretation associated with the Epistle to the Romans in this substantial yet easy-to-read commentary, written to be intelligible to the layperson while also taking account of modern scholarship.

For more than twenty years Douglas Moo's NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul's most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition (1996), incorporating the latest research and rewriting the text throughout for better comprehension. Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on "practical divinity," and traces the theme of the gospel throughout the letter. His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers.

F.F. Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries, a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means, without undue recourse to scholarly technicalities.

A commentary on Romans.

REVISED AND UPDATED TO INCLUDE DAVID'S MOST RECENT TEACHING 2014.

An exegetical and practical commentary for pastors and teachers This volume in the Kregel Exegetical Library combines up-to-date scholarship and concrete application to serve as an ideal guide for preaching and teaching the foundational New Testament book of Romans. After an in-depth introduction that surveys the book's key elements, reception history, literary devices, and current scholarly debates, John D. Harvey provides a thorough explanation of every verse of Romans followed by theological insights and hands-on takeaways. Readers will benefit from Harvey's approach, which asks and answers three questions about each verse: (1) What did Paul say? (2) Why did he say it? (3) What should I do with it? Outlines and summaries provide useful homiletical and pedagogical tools, while footnotes point to resources for further study.

Classic commentaries on a variety of themes by one of the world's greatest expositors.

Effectively minister from the book of Romans as it comes alive in this verse by verse commentary. The Epistle to the Romans is a valuable tool for theological study, referencing, bible study, sermon preparation, teaching, and instruction, as well as a tremendous source for personal enrichment.

First published in 1959, Karl Barth's A Shorter Commentary on Romans originated as the manuscript for a course of extra-mural lectures held in Basle during the winter of 1940-41. During this time, Barth continued to resist the Nazi regime and its influence on the Reformed Church as he did when he was in Bonn. This reissue of Barth's A Shorter Commentary on Romans links to the renewed interest today in a 'theological' interpretation of Scripture. In response to the modern preoccupation with what lies behind the text (the author's context), and to a postmodern preoccupation with what lies in front of the text (the reader's context), both theologians and biblical scholars are asking the following questions: 'What is the relationship between the biblical text, interpreter and God?' 'Can the Bible be read both as an historical document and as a text that speaks to us today, and if so, how can it do so?' Barth's commentarial practice as exemplified in A Shorter Commentary on Romans answers these questions. This book is presented in two parts: first, an introduction by Maico Michielin helping readers understand Barth's theological exegetical approach to interpreting

Scripture and showing readers how to let Scripture address theological and ethical concerns for today; the main body of the book then follows - the republication of the original English translation by D.H. van Daalen of Barth's A Shorter Commentary on Romans.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

This is the latest release in Enduring Word Media's commentary series by David Guzik. David Guzik's commentaries are noted for their clear, complete, and concise explanation of the Bible. Pastors, teachers, class leaders, homestudy groups, and everyday Christians all over the world have found this commentary series remarkably helpful.
