A Commentary On The General Instruction Of The Roman Missal Developed Under The Auspices Of The Cat

"The 2002 Institutio Generalis Missalis Romani (IGMR) comes at an important moment in the history of Roman Catholicism. The concerns now are about what norms best articulate the liturgical vision embedded in the documents of Vatican II, and what directives are most appropriate for shaping the full, active, and conscious participation of the faithful." "This commentary by members of the Catholic Academy of Liturgy is attentive to all these concerns. While maintaining a balanced view of the revisions, the authors provide analysis of the theological, pastoral, and ecclesial implications of the 2002 IGMR."--Jacket.

A Commentary on the Order of Mass of The Roman Missal gathers the insights of some of today's foremost English-speaking liturgical scholars to aid in understanding this most recent edition of the Order of Mass and its new English translation. Developed under the auspices of the Catholic Academy of Liturgy this commentary was guided by three primary concerns: to situate the promulgation of a new English translation of the Roman Missal historically and theologically to aid in the pastoral implementation of these texts and rites to contribute to the ongoing development of vernacular worship for English-speaking Roman Catholics

The International Court of Justice is the principal judicial organ of the United Nations and plays a central role in both the peaceful settlement of international disputes and the development of international law. This comprehensive Commentary on the Statute of the International Court of Justice, now in its second edition, analyses in detail not only the Statute of the Court itself but also the related provisions of the United Nations Charter as well as the relevant provisions of the Court's Rules of Procedure. Five years after the first edition was published, the second edition of the Commentary embraces current events before the International Court of Justice as well as before other courts and tribunals relevant for the interpretation and application of its Statute. The Commentary provides a comprehensive overview and analysis of all legal questions and issues the Court has had to address in the past and will have to address in the future. It illuminates the central issues of procedure and substance that the Court and counsel appearing before it face in their day-to-day work. In addition to commentary covering all of the articles of the Statute of the ICJ, plus the relevant articles of the Charter of the United Nations, the book includes three scene-setting chapters: Historical Introduction, General Principles of Procedural Law, and Discontinuation and Withdrawal. The second edition of the Commentary adds two important and instructive chapters on Counter-Claims and Evidentiary Issues. The combination of expert editors and commentators, and their assessment of new developments in the important work of the ICJ, make this a landmark publication in the field of international law.

Regulation. Adopted in April 2016 and applicable from May 2018, the GDPR is the centrepiece of the recent reform of the EU regulatory framework for protection of personal data. It replaces the 1995 EU Data Protection Directive and has become the most significant piece of data protection legislation anywhere in the world. The book is edited by three leading authorities and written by a team of expert specialists in the field from around the EU and representing different sectors (including academia, the EU institutions, data protection authorities, and the private sector), thus providing a pan-European analysis of the GDPR. It examines each article of the GDPR in sequential order and explains how its provisions work, thus allowing the reader to easily and quickly elucidate the meaning of individual articles. An introductory chapter provides an overview of the background to the GDPR and its place in the greater structure of EU law and human rights law. Account is also taken of closely linked legal instruments, such as the Directive on Data Protection and Law Enforcement that was adopted concurrently with the GDPR, and of the ongoing work on the proposed new E-Privacy Regulation.
