Soon, through multiple visits, Matthew grew to know Michael fairly well. In April 2016, Michael got Matthew out of bed and with the help of God's Spirit, did a three-hour interview with Matthew. It was a divine revelation of heaven and more. Why don't you read this message and spend some time to see what Michael has to say about: What heaven is like What he is doing up there What Jesus is really like The keys to a happy life and What true love looks like. Jesus wants you to read this message, and Michael wants to speak to you, so what are you waiting for?

In troublesome times, it is difficult to find a safe anchor to secure our souls. Jesus said men's hearts would fail them in the end days because of fear. An overwhelmed world will simply give up, without a hope for shelter from the coming storms. In Scripture, Jesus warned that in the last days, there would be great commotion--terrorism, confusion, strife, famine, and mayhem of all kinds, which would rob many of a hopeful future. However, these calamities must occur to pave the way for His triumphant return to Earth, when He will establish His Kingdom. Although the world will fear these coming days, as believers, we are to take our eyes off the perplexities of the Earth and look up to heaven, our eternal hope. Our Lord has promised us an eternal home, which is unlike anything we have ever known. He said He was going away to prepare this glorious place of external abode for those who put their whole trust in Him. Through the Holy Spirit, this truth of a heavenly home can become more real to us than anything we can see with our natural eyes.

The apostle John wrote one of the most loved yet misunderstood books of the Bible. He is a very personable and loving man when you meet him. As the 'disciple that Jesus loved,' he was very close to Jesus when he walked the earth. Now he is in heaven and is a remarkable saint. In September 2017, he came to visit Matthew and spoke on a number of subjects. These include: -His intimate insights into Jesus -Loving in action -The faithful ones -Being lukewarm -His experiences on Patmos. John does not pull any punches with his words. He is direct and warns the church and believers about the perils that can face a Christian if they love the world instead of loving God. Come and hear John as he shares his heart and warns people so that they don't walk off a spiritual cliff.

#### A Divine Revelation of Heaven

In 1999, Bronx-born plumber Tommy Rosa died after being the victim of a hit-and-run incident. Lying by the road, he felt a tug whisking him off into a tunnel of light. He found himself in an indescribably beautiful place, filled with a total sense of peace and joy. Tommy met his Divine Teacher and received a series of profound lessons—Eight Revelations about the nature of health, healing, and well-being. He was shown that God created the Earth to nourish and heal mankind and that our sense of separation from each other and the divine is of our own making. Around the same time, integrative cardiologist Dr. Stephen Sinatra was revolutionizing his medical practice with a holistic approach to treatment. When a chance meeting brought the two men together, they gradually came to realize that the revelations of healing from Tommy's Teacher aligned with the groundbreaking results Dr. Sinatra was seeing in his own scientific research. Health Revelations from Heaven combines Dr. Sinatra's practices with Tommy's Revelations to lead you toward revitalized health, a newfound sense of purpose, and spiritual balance. Fully corroborated by Dr. Sinatra's four decades of medical expertise, these stories and practices can bring the gifts of Heaven and Earth into everyday life. Let this book show you the way.

Believers, in troublesome times we are to take our eyes off of the perplexities of earth and, instead, LOOK UP to heaven because heaven is our eternal hope. as we look up to heaven--to our eternal hope--we will be able in terrifying times to yet "LIFT UP OUR HEADS" when all others are cast down in great "distress."HOPE HOLDS US SECURE IN TROUBLESOME TIMES.Jesus said, concerning the last days of time on earth as we know it prior to His triumphant return to earth to establish His utopian Kingdom, there would be great "commotions" upon earth--terrorism, confusion, strife, famine, and mayhem of all kinds--AS WE ARE NOW SEEING.Jesus said, because of "distress" of all nations with "perplexities" (which means no solutions, no way out, lost for answers), men's hearts would fail them for "fear" and for "looking" at those things which are coming upon the earth. People would see these troubles "coming" but would be helpless to stop them. Because of this, people would be overwhelmed and therefore would simply give up--AS WE ARE NOW SEEING.Jesus said then to His disciples (those who believed on and followed after Him), "LOOK UP," as opposed to "looking at" the troubles engulfing the earth like the unbelievers will be doing--AS WE WILL BEGIN TO SEE.In this valuable book for these times, Heaven's Great Hope, Dr. Morgan gives us an in-depth look at the following:\* what hope is\* why we need hope\* how to access hope\* how to hold onto hope\* why is the hope of glory
