Nothing has captured the imagination and conjecture of the people more than that of the Apocalypse, as this is found in all the holy books of the world. The Christians are awaiting the advent of the Antichrist and the Beast which is to precede the return of Jesus Christ and Armageddon. Here, for the first time, Dr. Leland Jensen brings to life the amazing visions of Jeane Dixon, adding an entire New Dimension to this subject and revealing the fulfillment Jeane's most outstanding vision: "THE CHILD OF THE EAST." In A Gift of Prophecy it states: "Visions which come to Mrs. Dixon are unchangeable, because they represent the will of God. The coming event cannot, consequently, be prevented" (p. 155). Therefore, the reading public is waiting for the fulfillment of these visions. In this book, for the first time, "THE CHILD OF THE EAST" has been definitely identified. Jeane states that: "The world as we know it will be reshaped and revamped into one without wars or suffering... he will bring together all mankind in one all-embracing faith. This will be the foundation of a new Christianity, with every sect and creed united through this man who will walk among the people to spread the wisdom of the Almighty Power" (A Gift of Prophecy, pp. 171, 172). This book represents not only his amazing credentials, but gives his interpretations of some of Jeane's other visions such as the Snake and her two visions that she had in St. Matthew's Cathedral. Also by using Jeane Dixon's Criteria, he definitely identifies the Antichrist and slays him with the sword of his mouth. He also exposes the Beast and Dragon prophesied to come in the Book of Revelation. This is all backed up by the most realistic and accurate proofs. The Bible and the Great Pyramid come alive and become clear as crystal. This will excite the reader to new horizons, especially what "THE CHILD OF THE EAST." has to say of what is to take place next! He will become the most talked about person in the world and what he has to say will be of the most discussed subjects. It will be a common conversational piece. Everyone will get in on the act; no one will be able to remain neutral. Everyone will take sides,
