

A Kiss In Time Alex Flinn

Three perspectives -- one truth The victim: After his windshield was shattered with a baseball bat, HIV-positive Alex Crusan ducked under the steering wheel. But he knows what he saw. Now he must decide what he wants to tell. The witness: Daria Bickell never lies. So if she told the police she saw Clinton Cole do it, she must have. But did she really? The suspect: Clinton was seen in the vicinity of the crime that morning. And sure, he has problems with Alex. But he'd never do something like this. Would he?

A hapless witch, a bad boy turned beast, a beautiful girl and her wicked stepmother...what more could you want in these four modernized fairy tales, in one collection for the first time, by #1 New York Times bestselling author Alex Flinn. *Beastly*: Kyle was the cutest guy at school—and the most heartless. Kendra's spell turned him into a beast, but can Lindy's love turn him back into a boy? After winning a VOYA Editor's Choice award and spending over 22 weeks on the New York Times bestseller list, *Beastly*, a retelling of Beauty and the Beast, became a major feature film starring Vanessa Hudgens, Alex Pettyfer, Mary Kate Olsen, and Neil Patrick Harris. *Beastly: Lindy's Diary*: This novella lets readers peek into the journal Lindy kept while she was getting to know—and love—her beast. *Bewitching*: Kendra shares her other schemes that have gone wrong . . . no matter how hard she tries! These tweaked fairy tales take readers all through history and all over the world. *Mirrored*: In this retelling of Snow White, beautiful Celine must take refuge with her friend Goose and his family since her wicked stepmother, Violet, is on a mission to be the fairest of all and won't let anything—including Celine—get in her way.

This story was first published in early 2015, but I tweaked it here, and there, to make it longer, and changed the cover. This is the story of Alex and Serena. They met a year or so ago in a gay bar while out with mutual friends. But because of rumours and lies spread by one of their jealous but so called friends they were kept apart as they were never both single at the same time, or so they thought. Over the next year they both secretly fell in love with each other. Alex thought it was wrong to do anything about it, while Serena thought she was just wasting her time. They finally got together after Alex stole a kiss in the garden at midnight at a New year's eve party at a friends house which made the truth come out. Six months later they had moved in to a rented house together next door to their elderly neighbour Mary. In Serena's job as manager of a hairdressing, beauty and nail bar she would often hear stories and rumours from her customers about different people and she just used to take it all with a pinch of salt. But when the rumours started to be about Mary, her dead husband George and the family that owns the house that she now rents and shares with Alex she started to take notice. A beast. Not quite wolf or bear, gorilla or dog but a horrible new creature who walks upright—a creature with fangs and claws and hair springing from every pore. I am a monster. You think I'm talking fairy tales? No way. The place is New York City. The time is now. It's no deformity, no disease. And I'll stay this way forever—ruined—unless I can break the spell. Yes, the spell, the one the witch in my English class cast on me. Why did she turn me into a beast who hides by day and prowls by night? I'll tell you. I'll tell you how I used to be Kyle Kingsbury, the guy you wished you were, with money, perfect looks, and the perfect life. And then, I'll tell you how I became perfectly . . . beastly.

I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all. It all started with a curse. And a frog kidnapping. And one hot-looking princess, who asked me to lead a rescue mission. There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Everglades. Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked.

Still, she hasn't given up on finding the one. Unfortunately, Forever Designs, her boutique wedding dress business, is accumulating more bills than invoices so love has to take a backseat for now. When a famous model books Claire to design her wedding dress, she jumps at the opportunity only to find out the client is her childhood best friend and rival, Missy Peters. Claire and Missy's

"In all film there is the desire to capture the motion of life, to refuse immobility," Agnes Varda has noted. But to capture the reality of human experience, cinema must fasten on stillness and inaction as much as motion. *Slow Movies* investigates movies by acclaimed international directors who in the past three decades have challenged mainstream cinema's reliance on motion and action. More than other realist art cinema, slow movies by Lisandro Alonso, Nuri Bilge Ceylan, Pedro Costa, Jia Zhang-ke, Abbas Kiarostami, Cristian Mungiu, Alexander Sokurov, Bela Tarr, Gus Van Sant and others radically adhere to space-times in which emotion is repressed along with motion; editing and dialogue yield to stasis and contemplation; action surrenders to emptiness if not death.

In #1 New York Times bestselling author Alex Flinn's modern and mysterious YA retelling of "Snow White," beauty is in the eye of the beholder and true love doesn't necessarily mean Prince Charming. Celine's life is the stuff fairy tales are made of. She's beautiful, talented, and brave. Unfortunately, her tale comes complete with a wicked stepmother! When Violet steps into Celine's life, everything changes and weird things begin to happen to her—bizarre accidents, strange illnesses, and rabid animal attacks. Celine doesn't feel safe anywhere. It's almost as if some hateful witch is out to get her. And there is. Violet has been waiting all her life to have Celine's father to herself. Getting rid of his gorgeous daughter is child's play for a witch as powerful as she is. Happy-ever-after isn't enough for Violet. She wants to be the fairest of them all, and Celine is in the way . . . but not for long. Forced to take refuge with her friend Goose and his family, Celine gives up everything she loves and goes deep undercover. But will it be enough to fool Violet or will Celine's fate be decided by a reflection in a magic mirror? And where do you find Prince Charming in Miami anyway? *Mirrored* is a modern retelling of "Snow White"—told from the points of view of Violet, Celine, and Goose—with all the magic and mystery readers will love.

But then a deliberate hit and run tosses Sydney back into Alex's life and this time, her defenses are down and she is vulnerable. But there are unanswered questions surrounding Sydney. Who tried to kill her? And why is she insisting that Alex was there, when he doesn't remember it that way? When a kiss sends Alex and Sydney back to Alex's beloved desert, and he realizes that Taylor is not the only one who can time travel, the questions pile up like gunpowder. Kiss Across Seas History doesn't always repeat. Sometimes, it destroys. To protect everyone she loves from the threats of their greatest enemy, Sydney flings herself back in time to eleventh century Egypt, where she meets a very human Alexander. A Vampire Time Travel Romance ___ Praise for Kiss Across Kingdoms The intensity of the romance between the three is not to missed I like how the book paints the story in your mind. As usual Tracy has delivered another amazing story. In my view Tracy is by far one of the best writers of our time I was anxiously waiting for Alex, Sydney, and Rafael to continue their story, and WOW, was it worth the wait. I have been on tender hooks waiting for this book to be released - I just love this time travel series It's a unique twist to the time traveling genre As a historical fiction junkie, I had a blast reading this tale. I will admit I am enthralled by her genius. It never ceases to amaze me how elaborate Tracy's writing is. This is a tale of love, strength, bravery and time traveling in a wonderful and bloody setting. Loved this one! I never try to out guess the direction Tracy's books are going to take me The chemistry and devotion between not only Sydney and her two hot vampire lovers but between Rafe and Alex always leaves me breathless.
