This student book is accompanied by an ActiveBook (a digital version of the student book) and covers both the AS and A level courses for the Edexcel business specification from 2015. The student book contains clear signposted links and support for quantitative skills, synoptical, evaluative, and analytical skills to help you develop your conceptual understanding of each topic. This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

Student workbooks are designed to strengthen students understanding of the different topic areas in AS and A2 business studies as they progress through their course, as well as providing them with a good set of notes for their

revision. Each workbook covers two of the main topic areas common to AS/A-level business studies specifications, with a number of sections comprising: a set of notes providing an overview of a business studies subtopic; and a set of questions covering essential areas of the subtopic, designed to develop and test student skills, with space provided for written answers. Students are encouraged to consider the context of the questions in all their answers, and to show evidence of appropriate skills, such as analysis and evaluation. Answers to the questions are provided in an accompanying set of Teachers Notes. These notes offer guidance on what to expect from student responses, so where there is no objectively 'right' answer, they identify the key points. Student workbooks are available in class sets of 10 priced at £40 per set. Each set of workbooks include one FREE copy of the Teachers Notes .

This book contains MCQs (with answers) and model test questions based on IGCSE Business Studies syllabus. These MCQs and the model tests are designed to help students revise and understand the topics of IGCSE Business Studies. Each chapter has three sections. First two sections focus on the content and definitions related to a specific chapter. The third section provides a model test. These assessments facilitate a student to develop a better understanding of the Business Studies topics and prepare for the exam. At the end of the MCQ sections, there are 20 (Paper 1 and 2 combined) exam style model tests.

We are working with Cambridge Assessment International Education to gain endorsement for this forthcoming series. Reinforce learning and deepen understanding of the key concepts covered in the latest syllabus; an ideal course companion or homework book for use throughout the course.

- Develop and strengthen skills and knowledge with a wealth of additional exercises that perfectly supplement the Student's Book.

Exam Revision Notes provide students with the perfect foundation for successful revision. The core topics common to the main AS/A-level specifications are covered in the form of concise and highly relevant notes. This helps students to identify the areas they need to revise, allowing them time to develop the higher level skills of analysis and evaluation. The Notes are accompanied by short commentaries that develop key points, identify common pitfalls and offer advice for tackling each topic.
