Data questions used in the textbook "The wider economic environment" with suggested answers. The disc includes the same text in three formats: a black and white PDF, a colour PDF and a Microsoft Word document.

This new edition Workbook has been fully updated for 2019 and covers Theme 1 Introduction to markets and market failure A-level Paper 1 Markets and business behaviour, and A-level Paper 3 Microeconomics and Macroeconomics will both draw on topics from Theme 1. Up-to-date and focused to help students practice their skills and improve their subject knowledge both inside and outside the classroom, this Practice Workbook: - Covers specific aspects of the course, providing targeted support for complex and challenging topics - Reinforces students' understanding, with more new practice questions and exam-style questions to develop their skills and improve their confidence - Includes more sample answers with commentary to help students meet the demands of the specification - Adapts easily and flexibly to existing textbooks and schemes of work - Provides opportunities for self-directed learning and self-testing, helping students revise on their own terms

Because time, money, and resources are never enough to allocate, people as small as individuals, families, companies, and governments have to make frequent choices- choose to watch TV first, and then do homework; choose to save pocket money to buy books instead of snacks; Should the government choose to print money to save the economy or increase public construction to create jobs? The government will also use
