

A Maze In Mazes Kids Super Fun Maze Activity Book

Click Costello Ireland above for more great activity books. Mazes are fun for children and also increase their logic skills. Mazes are good for children because they become an active participant not just a passive observer like when watching TV. They make a great gift for birthdays or Christmas.

Looking for fun-filled games and activities for your kids? Mazes For Kids Ages 4-8 is packed with fun mazes to promote lateral thinking, entertain and challenge your kids, and overall is a great way to spend time together. These mazes can help improve fine motor skills, problem-solving skills, and visual perceptual skills. This Game Book is perfect for all ages. It's ideal for: Party and family games, sleepovers, summer, fall, winter, and spring holidays, stocking stuffers for kids, easter basket stuffers, birthdays, camping. Various types, themes, and shapes to ensure your child won't get bored. Rules of the challenge: The game consists of eight levels. Each level has a different number of mazes. A fun game requires two participants and a referee with a timer to keep track of time. The player who completes each maze faster than his opponent wins one point. At the end of each level referee adds up the number of points. The player who won more levels is declared a winner or a draw will be announced if both players won the same amount of levels. Important to remember! The outcome of the challenge should not affect your relationships. Have a nice game!

Kids are getting heavily into mazes because of the fun and challenge that the activity provides. Mazes encourage creative and analytic thinking. They also help boost understanding of how patterns and directions go. So if you think that your little ones need a boost to become better learners, then mazes can be your secret weapon. Grab a copy today!

Maze Books for Kids (3-5, 4-6, 6-8) Mazes are extremely exciting puzzles where finding a way through the labyrinth to reach the endpoint is a thrilling journey, for both kids and adults.
