From the author of Lord St. Claire's Angel comes a Classic Regency Romance novella celebrating the world first introduced by Jane Austen. Despite her vast wealth, Miss Ariadne Lambert, at the ripe old age of thirty-three, is a plain and aging spinster with little but a fading hope that a knight in shining armor will come to sweep her off her feet. Which makes her the perfect prey for the unscrupulous "Dapper" Dorsey, who would stop at nothing to seduce a needy and wealthy woman and then coldly fritter away her funds in the gaming halls of London. As Ariadne succumbs first to his wily charms and then to his kisses, will her need for affection rob her of her dignity—and her fortune? Viscount Ingram, whose soiled reputation from one especially salacious incident has left him exiled to the sidelines of society, marks his time as a dark and brooding man, tolerated more for his title than his merit. But even he has his standards, and when he learns of a rival's plot to seduce and then steal from a helpless spinster, he vows to stop him. Ingram's noble sentiments and uncharacteristic sincerity are in for a shock, however, as he discovers that the hopelessly gullible Ariadne is in fact a clever and shrewd woman who's got more than a silly giggle up her sleeve. As the two team up in a devilish scheme to bring about the final undoing of Dorsey, cooperation turns to admiration and then attraction, and they discover that their last chance to repair their reputations may also be their first chance at finding true love.

responds with a rising fire of desire that leaves behind all sensible caution, until both Julian and Eve can think of nothing but the searing hours they spend in each other's arms. The Natchez Trace is remarkable in American history for the legends and tales surrounding it. During the first half of the nineteenth century, travelers--traders, settlers, and the occasional war party or fugitive from justice--followed its course from the Appalachians to the lower Mississippi, from Knoxville to Natchez. In this vibrant and energetic account, the author has mined both history and legend for startling tales of the near-mythical thieves, cutthroats, and confidence men once reported to have stalked their unsuspecting victims along this frontier trail--the terrible Harpe brothers, who came to a satisfactorily bad end; Samuel Mason, a thief done in by other thieves; and John Murrell, whose reputed schemes threw the South into a paroxysm of fear. Robert M. Coates retells the stories of these and other "land pirates" in chilling and ominous

detail, preserving for us the tales once whispered on the edges of the dark southern woods nearly two centuries ago.

"A roguish hero trying to redeem his rakish ways meets his romantic match in [this] lushly sensual Regency historical romance" (Booklist). A gentleman and a very improper lady are bound together by a passion that crosses the line between upper class and underworld in Caroline Linden's daring new romance . . . Thanks to his wayward youth, David Reece, the youngest scion in a noble family, has been called one of the most scandalous rogues of the ton. What he wants to be called is trustworthy and a true gentleman. To prove he has reformed he's agreed to watch over his absent brother's estate. All is going swimmingly until highwaymen waylay his coach and steal his brother's signet ring . . . After growing up a pickpocket, street orphan Vivian Beecham has reluctantly graduated to highway robbery. But her handsome victim is quick to turn the tables and take her prisoner. Though David has the pretty thief locked in a spare bedroom, he's in no place to judge her youthful indiscretion. Instead she becomes a former rogue's greatest challenge: the object of a passionate seduction . . .

John Tasker is a divided, but enjoined, man. Physically he is running from the law while hunting down his own father, just as his father used to track down the wild tuskers in Sri Lanka. At the same time, mentally, he is tracking down his murderous brother's enemies, imaginably or not, with a deadly efficiency. Adding to his confusion is how his indolent lawyer's job in the Attorney-General's Department has itself suddenly become fraught with danger for his own personal safety. The resultant clash that erupts between his fervently-adopted Australia and his fervently-rejected Sri Lanka isn't helping the mental chaos he is thrown into on an otherwise

perfectly-acceptable day. One trouble is his state of being so enjoined. Through his own mind's-eye he sees how his own milieu has been drawing him inevitably towards the cliff's edge. Also through his-and-his-brother's mind's-eye he sees too much of the terrorizing worldwide Tamil organizations, and from a close-up much too gory. And through his-and-his-father's mind's-eye he sees no good nurture purpose to his existence, except the sighing and dying and the leavings from him. He can see how it's all so willfully like his father's wild snared tuskers endeavouring to escape, trying to drag the lines dragging the antler'd sambhur's skulls through the hopelessly impossible bush. On top of all this, he has the living scaffold of the Sri Lankan Inspector Ekanayake now-and-ever looming over him. The Inspector doesn't care a hoot about any mind's-eye or mind's-eyes, 'bloody \*\*\*\*ing hell sorry'. He only cares for the hunt's conclusion, and how John Tasker should know it. What is the Inspector doing in Canberra and asking so many pointed questions? What might he know about the shadowy and murderous Tasker twin brother with, apparently, the justified alias of Tusker? All John Tasker can now see is how his world and the manic world of his fearsome brother are being forced to converge so suddenly and so bizarrely. This is the first title in the ongoing Inspector Ekanayake series.

In 1870s Texas, plain Marian Laton, newly arrived to her aunt's ranch from New England after the death of her father, quickly falls for a handsome cowboy but fears that, like every other man, he will forget her when he meets her beautiful, tempestuous twin sister.

Lady Lucie is fuming. She and her band of Oxford suffragists have finally scraped together enough capital to control one of London's major publishing houses, with one purpose: to use it in a coup against Parliament. Or that he would be willing to hand over the reins for an outrageous price--a night in her bed. attempting to steal from him is a surprise to Benjamin, but not as much as his attraction to the reckless lady. Though he vows to keep his distance, the lovely Louisa refuses to stay out of his life. Lucien Guenther is the CEO of Cascade Encantada Winery, and his ideas for growing the company have made it not only the oldest winery in Cascade, Texas, but the most successful. Of course, his brothers get mad because he comes up with ideas from his home in San Antonio, and leaves all the work to them. But Lucien loves his life, both as a leader and as a city-dweller. He likes Cascade fine, but the city offers more excitement, and more variety, especially of the female variety. At his parents' renewal of vows ceremony, however, he lays eyes on Grace Moreno, the girl who was his main competition all through high school. Student council, band chair, scholarships—there was nothing he could win easily without her vying for the same goal. She's grown into a gorgeous, confident woman, and he can't keep his eyes off of her. Grace Moreno is a mess. She's a newly single parent who

has moved back home because she can't afford Austin real estate on her income. In fact, just receiving an income is a challenge. She's living with her parents and her increasingly defiant nine-year-old daughter, and the last thing she needs is for Lucien Guenther to know she failed at something. He falls into the same pattern of creating challenges for her to match, and she actually thrives on it, especially when she bests him, and he has to pay the penalty by working in the yard of her newly purchased house. The more time they spend together, the more they come to look at each other in a new way, and suddenly the challenges become less of a chance to best each other, and more a chance to seduce each other. But can the excitement last? Can he give up his carefree life to become the man she and her daughter need? The Sphere of Ingar has been destroyed and pure magic now flows freely throughout the land of Uton. Magic casters arise as do the dark creatures that need magic to exist in this land. As the land changes and its inhabitants adapt, a growing wind of rebellion leads to potential disaster for all the races. The dwarf queen, Yave, declares war on the algors, blaming the desert dwellers for the tragedy which took the life of her eldest son. She leads a revolution against what remains of her own family. Dwarf separatists eager to assert their own superiority follow blindly as she begins her quest for revenge. Ryson Acumen,

the pure bred delver who saved the land from Ingar's sphere, attempts to intervene. In response, human towns are attacked by the dwarf army of Dunop. Raids against the elves lead to escalated tensions. Even as the algors plan a response to protect their very existence, the elves threaten to unleash their own weapon of sheer terror against the dwarf city. The overriding need that brought the races together to defeat Ingar is gone as the land of Uton fractures into chaos.
