A variety of print, audio and visual media, including comics, trade publications, music and newspapers, are considered to explore the portrayal of gender and gender-related issues. With a focus on girls and women, the chapters ponder how media formats both shape, and are shaped by, the social order.

Do you feel like you're not heard but you don't want to have to scream? Personal development coach Mary Hartley explains the secrets of assertiveness – of how to communicate with other people in ways that are confident, effective – but also considerate. Mary reveals the simple steps you can take to help you relate to other people honestly and openly in every area of your life – at work, with your friends and family and in your love life. You will discover that you can be true to yourself and your needs without hurting or diminishing other people. • What assertiveness is and why it

understand, and this informative e-book will help you decrypt it with confidence. From risks and rewards to purchasing power, profiting from trades, options and dividends, authorized capital, paid-up share capital, issued share capital, and just about everything else, you'll finally understand stock mumbo-jumbo - and have a blast. It's all about starting small and working your way up the ranks. Do as Julia says, and you can turn your stock skills into a lucrative full-time career. With a little cash and a lot of great advice, you'll gain the upper hand, play the stock market like a Queen, and call "check-mate" on this otherwise male-dominated industry. Written by an empowered woman, for empowered women, the Girl's Guide to Stock Trading dives deep into the stock market. You'll discover that education is power, and once you understand the lingo, you'll understand where your money is going - so you can make more informed stock market decisions with confidence, clarity, and heck, a little creativity! Julia is living proof that you don't need a degree in finance (and you don't need to be a trust fund baby) to bring in attractive passive income - and even long-term wealth. Plummeting stock trading commissions mean it's actually more viable to invest for just a few hundred dollars. Julia believes that dreams certainly can come true, with a little work and commitment. Whether you're a single Mompreneur or are simply sick of the 9-5 grind, you don't need thousands in the bank to strategically penetrate the stock market. All it takes is a little motivation and self-confidence. The Girl's Guide to Stock Trading has all the advice, support, and tools you need to succeed. Bring the confidence and girl power to the table, and you're ready to shoot for the gold, girl. We know you've got the balls. Do you know it? GET THE BALLS. BUY THE BOOK.
