Our Totally Awesome Travel Planner has many pages for future travel planning to take place! Happy Travelling!

There is nothing lovelier than England in June, when it's in full blossom, when the sun is sinking down behind the hedgerows and the Queen Elizabeth rose, with its palest of pale pink petals, is unfolding into glorious summer bloom. Nothing lifts the spirit more than a glorious meander through an English garden in full floraison. The sweetly scented gardens and gentle landscapes of this great country have long drawn horticulture fans and Anglophiles searching for its natural idylls, made so redolent in literature, film, photography, poetry and song. Every summer, people from all over the world travel to England to stay at charming guest houses with bucolic gardens, drink at country pubs with flower-decked beer gardens, wander from gate to gate on garden tours, shop at stores for irresistible garden tools and seeds, and dine at cafés and restaurants with floral-themed interiors. Now, this beautiful new book by bestselling author Janelle McCulloch - part guidebook and part armchair delight for garden lovers - shows you where to find these wonderful garden destinations, from the celebrated and famous to the secret and little-known. It also details the private estates that only open several times a year; the ones that tend to go under the travel radar. Elegantly designed and illustrated, the pages within are also packed full of spectacular botanical-inspired hideaways to stay, linger, shop, dine and drink at, from garden-inspired restaurants to garden-enhanced hotels. AUTHOR: Janelle McCulloch is a journalist, author and photographer of more than 20 books on architecture, interior design, travel and gardens, including 15 bestselling design titles. She divides her time between Australia, New York and London. SELLING POINTS: * This garden-lover's guide to

England is both a valuable resource and inspiring coffee-table book for those who adore exploring and strolling through charming garden destinations * Organised thematically into 'gardens' and 'places to dine, drink and stay' (surrounded by the best botanical spaces), with each section broken down by region, offering user-friendly itinerary planning * Showcases many of England's best public and private gardens, historic, classic and iconic gardens, writers gardens, kitchen gardens, walled gardens, rose gardens, grand estates, restored or contemporary spaces, floral shows, beautifully landscaped expanses, and more * Lists important information about how to choose the best time of year to visit; the most beautiful garden destinations to visit with detailed itineraries; where best to see springflowers, tulips, wisteria, rhododendrons, roses, dahlias, among many others * Includes a valuable index of wonderful places and activities to be inspired by, from courses and workshops on topiary and garden embroidery to museums and galleries that offer botanical exhibitions, along with specialist nurseries, gardens stores and other garden resources, entries on floral arrangements, memorable garden tours, and DIY garden trails for those who prefer an independent experience

The Northern Areas of Pakistan are truly magnificent in their beauty ranging from majestic mountains that kiss the sky, enchanting valleys, and fascinating terrain with forests, rivers, and glaciers. This volume presents an account as well as a guide to travelling in the Northern Areas for the inexperienced as well as the seasoned traveller.

Based on the Tao Te Ching, this book is organized by theme, not number - and written in plain English for today's world. It's written for people living active day-to-day lives.

A Smart Travel Companion This pocket guide to Scrum is the one book for everyone who wants to learn or re-learn about Scrum. The book describes the framework as it was designed and intended, with a strong focus on the purpose to the rules and adding an historical perspective to Scrum and the Agile movement. As the balance of society keeps shifting from industrial labor to digital work, complexity and unpredictability keep increasing. The need for agility through Scrum increases equally, in and beyond software and product development. This 3rd edition of Scrum - A Pocket Guide, while introducing some changes in terminology, more than ever offers the clarity and insights on Scrum that many organizations need, more than ever. It will help people and their organizations properly shape their Scrum, regardless of their domain or business. Scrum – A Pocket Guide is an extraordinarily competent book. It flows with insight, understanding, and perception. This should be the de facto standard handout for all looking for a complete, yet clear overview of Scrum without being bothered by irrelevancies. (Ken Schwaber, Scrum co-creator) The author, Gunther Verheyen, is a seasoned Scrum practitioner (2003). He has been employing Scrum since 2003. He was partner to Ken Schwaber and Director of the Professional Scrum series at Scrum.org. He is the founder of Ullizee-Inc and engages with people and organizations as an independent Scrum Caretaker on a journey of humanizing the workplace with Scrum.

The young couple. The first time. Daring flirtations. The secret, forbidden meeting. The young student and the teacher. The elderly gentleman and the innocent young maiden. This is a collection of erotic short stories from Cupido. The collection contains following short stories: "A woman, finally on her own, attending a language course in France, is charmed by the young guard who leads her to discover her inner resources." - Hidden Garden by Ella Blue, Oppland "Here she was, supposed to be discussing the course with a student, and it ends up with him sitting there and staring at her bra through the blouse. She hurriedly began to cover herself up." Office hours by Siri P. "A woman driving alone picks up a soaked little Frenchman who needs to be undressed and dried off." Travel Companion by Calle Rehbinder "She is 25. He is 50. Together on vacation in Spain - and slightly anxious that someone might see them." - On the Beach by Krepsen CUPIDO, the magazine for intimacy and enjoyment, has published erotic short stories about everyday fantasies and joy since 1984.

Destination Hope: A Travel Companion When Life Falls Apart offers camaraderie and a beacon of hope for women who feel alone in loss, struggle, or change of circumstance. This book is not a self-help book filled with platitudes from people who think they have life figured out. Instead, Marilyn Nutter and April White link arms with the audience and encourage their readers through stories of their personal challenges in widowhood and chronic illness. Women are encouraged to see loss and hardship as part of life's journey and are reminded to turn their gaze upwards, to the Provider of Hope. Within the pages of Destination Hope comes a sisterhood, a bond, that is formed only through the mutual understanding of loss and the need to find hope in hard times. Destination Hope is arranged into six chapters called Milepost Markers, which address various losses, disappointments, or obstacles. Each entry concludes with a Rest Area for reflection and journaling. A Postcard with a quotation related to the topic sends readers off with an encouraging word, as they travel on towards their destination hope.

Are you planning to travel around the world and hop from one hostel to another? Have you got your hostel games sorted? Never Have I Ever (Standard Edition) contains the rules to a simple drinking game and 200+ "Never have I ever..." prompts! It's easy to pick up, fun to play and a great crowd pleaser amongst young travellers. Never have I ever said "I'm never drinking again" Never have I ever danced on a bar table or stool Never have I ever jumped out of a plane This book is a must-have for beginner travellers or for the experienced veteran wanting to spice things up. It is great to take whilst travelling and perfect as a gift for a friend that has travel plans. If you would like to purchase this book for yourself or someone else, click the "Add to Cart" button above!

Our random thoughts can be as rich as philosophy books but as a general rule we do not have the time to investigate them since life is quite busy. Sometimes we feel the burning desire to discover ourselves but we do not know where to start and we give up due to the lack of time and focus. This book proposes to give the readers a chance to jump right into a peaceful meditation state and investigate these thoughts using the hidden tools of their experiences, culture, inner thoughts and religious or moral compass, so that at the end of the trip they can feel more enriched and satisfied than they were at the beginning of it.
