An approved text for the Professional Qualification, this 'Exam Kit' enables you to practise your exam technique and apply your knowledge and understanding. It contains revision guidance, actual ACCA exam questions and official answers, and gives details of the syllabus, exam format and analysis of past papers and ACCA guidelines.

This Study Text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The Text takes a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement.

The examiner-reviewed F7 Practice and Revision Kit provides invaluable guidance on how to approach the exam, contains past ACCA exam questions for you to try and covers all areas of the F7 syllabus in the same order as the Study Text. The detailed solutions and marking schemes show you how the examiner awards marks.
