

Acca P2 Corporate Reporting International Uk Practice And Revision Kit

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. P2 is a very challenging paper which builds on the knowledge and skills acquired at earlier levels in the preparation and analysis of financial reports for single entities and groups. It takes these areas to a higher level, putting into context the role of the accountant as a professional steward and adviser, who is responsible to the stakeholders of an organisation. It has five main sections: 1. Regulatory and ethical framework and current issues 2. Reporting the financial performance of entities 3. Group financial statements 4. Specialised entities 5. Analysis of the financial performance of entities. The main new topics introduced at this level relate to group accounts, but other topics are tested with a different emphasis and in more depth than at the Fundamentals Level. We provide material for both International and UK streams. International is now the ACCA main stream. The study text has been reviewed by the examiner and takes account of his advice on approaching the paper. Ethics, which have an impact on all aspects of financial reporting, are introduced at an early stage in the text, as is corporate social responsibility, so that students do not neglect these topics when covering the numerical areas. Accounting standards come next, combining revision with extension into more advanced areas. After a brief revision of basic groups, the more advanced consolidation topics are covered. Current issues are covered throughout the text within the appropriate topics, and also summarised in a final chapter. The question bank contains practice at the case study-style question you will encounter in the real exam. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. The examining team reviewed P2 Study Text covers all the relevant ACCA P2 syllabus topics and offers examiner advice on approaching the paper. It is suitable for both International and UK study. Additional UK topics are covered in an online supplement. The text introduces ethics, which have an impact on all aspects of financial reporting, and financial responsibility. It also discusses accounting standards, advanced consolidation topics and current issues. The question bank contains case study style questions similar to the ones you will find on the exam.

Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks and more complicated parts that are not essential to get a pass. Our practice and revision kit follows the order of the text and there are a large number of questions on all syllabus topics. Our kit gives ample opportunity to practice the long, 50 mark case studies, which will be the compulsory Section A question in the exam. Three mock exams, including the December 2007 exam, also reflect this format. As a gentle introduction to many of the topics, there are preparation questions giving instructions in basic techniques. Most questions have marking schemes, so that you can see that the examiner awards marks for these techniques. "Thompson (environmental science, U. of Calgary) gathers 14 contributors from the academic and business sectors in this text for students, professionals, policy makers, and regulators. This book is not about managing the environment but about managing people in organizations, governments, and corporations to lessen environmental damage. Topics

include auditing, education and training, environmental reporting, impact assessment, and the Natural Step, a Swedish NGO that advises on efficient material usage to increase profits and spare the environment."--Pub. desc.

With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. F7 is a demanding paper covering all the fundamentals of financial reporting. It has five main sections: 1. The conceptual framework of accounting 2. The regulatory framework 3. Preparation of financial statements which conform with IFRS 4. Preparation of consolidated financial statements 5. Analysis and interpretation of financial statements F7 builds on knowledge from F3, or old paper 1.1. New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. This study text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The text has a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. New edition updated for examinations through to June 2015. This book is based on our "Test/Repeat/Succeed" philosophy and on our belief that the best way to learn ACCA syllabus content is through a very active self-test approach. Getting a question wrong, looking at the right answer and trying again and again is the most effective way of building knowledge - far better than just passively reading and trying to memorise material. Set of over 1,000 short form questions (Q&As) which condense and break down all elements of the P2 syllabus into

interactive questions which can be completed very quickly and multiple times before the exam. The process of revisiting key areas will lead to better knowledge retention and a more active revision technique. This method is particularly valuable in a long syllabus such as P2 as it will reduce your revision time by eliminating the need to read and re-read unnecessary text in your Study Materials - instead we just go straight to the point through our questions. Using the Q&A will also eliminate the need to make notes. Questions are based on review of both the ACCA syllabus and past papers to ensure a focus on key areas. Includes mark breakdown of past papers over the 2008 to 2012 period to identify the key areas which the examiner likes to test. Covers both UK and International paper options with clear indication of UK-only questions. For samples and further explanation of our technique, see www.accasimplified.com.
