Acrylic Painting The Ultimate Guide to Acrylic Painting; Learn Acrylic Painting FAST in Two Week or Less Acrylic paints are used by many artists, amateur or professional. They can be used in two ways; mixing them with a small amount of water or using them directly. Water is mixed in order to get a soft result and it is directly used to get the original and dark result. The best thing about acrylic paints is that the lighter shades can be used over the darker colors without letting the darker shade be much visible. This is very helpful as mistakes can be corrected simply by applying a different coat of paint. This comprehensive and accessible reference guide provides an in-depth exploration into the art of painting with acrylics, and has been created as one book that will accompany the reader on the complete journey from beginner to artist.
