IMA, the association of accountants and financial professionals in business, is one of the largest and most respected associations focused exclusively on advancing the management accounting profession. Globally, IMA supports the profession through research, the CMA (Certified Management Accountant) program, continuing education, networking, and advocacy of the highest ethical business practices. IMA has a global network of more than 65,000 members in 120 countries and 200 local chapter communities. IMA provides localized services through its offices in Montvale, NJ, USA; Zurich, Switzerland; Dubai, UAE; and Beijing, China. For more information about IMA, please visit www.imanet.org. Students are often overwhelmed by the amount of information presented in the introductory financial accounting course, while instructors often want their students to better grasp “the big picture.” Fundamentals of Financial Accounting Concepts delivers a unique approach to building accounting skills while maintaining a more traditional use of debits and credits. Through this method, the authors drive students’ curiosity and inspire them to ask the “why” questions that get at the heart of how Accounting works. By teaching foundational accounting concepts in a logical sequence, the Edmonds author team shifts the focus from memorizing procedures to the development of real-world thinking patterns. Author Chris Edmonds has also created a highly popular and widely used series of video lectures, which engage students by clearly and charismatically going over each learning objective in a conversational style. These videos help reinforce important lessons and are always available for review. Through use of the financial statements model and transactional analysis, students quickly see how any given business event affects the financial statements. By having this “big picture” mentality, students can tie any single transaction back to the impact on the overall business. Between the straightforward writing, popular video lectures, and unique coverage approach,

Fundamentals of Financial Accounting Concepts enables students to fully comprehend the material presented as future decision-makers.

Buku Akuntansi Keuangan Lanjutan Berbasis IFRS dan SAK Terbaru buku 1 ditujukan kepada mereka yang berminat untuk mempelajari dan mendalami mengenai laporan keuangan konsolidasi. Pada umumnya adalah mahasiswa yang mengambil matakuliah pada semester lima atau semester enam. Buku ini diawali dengan apa dan bagaimana penggabungan usaha (business combination) yaitu apakah akuisisi aktiva bersih (net assets) atau akuisisi saham (stock acquisition) berdasarkan SAK 22. Apabila akuisisi yang terjadi adalah akuisisi aktiva bersih maka peristiwa tersebut dinamakan merger atau konsolidasi dan sebelum penggabungan usaha dilaksanakan laporan posisi keuangan masing-masing perusahaan harus disusun berdasarkan nilai wajar (SAK 65) dan hanya ada 1 perusahaan tunggal yang melanjutkan dari penggabungan usaha tersebut dan perusahaan yang lama dilikuidasi. Apabila peristiwa penggabungan usaha adalah akuisisi saham maka dinamakan akuisisi atau afiliasi dan tidak ada perusahaan yang dilikuidasi. Dalam peristiwa akuisisi harus diperhatikan berapa besar kendali yang diperoleh perusahaan induk terhadap perusahaan anak apakah 100% atau kurang dari 100% dan bagaimana excess yang timbul pada saat akuisisi hal ini akan dibahas tuntas pada buku ini. Setelah akuisisi berhasil maka perusahaan induk dan perusahaan anak merupakan 1 entitas dan perusahaan induk harus membuat laporan keuangan konsolidasi pada tanggal akuisisi dan untuk setiap akhir periode berdasarkan SAK 65. Setelah akuisisi saham, perusahaan induk mencatat investasi saham pada perusahaan anak pada tanggal akuisisi berdasarkan harga perolehan (at cost) dengan menggunakan metode pembelian (by purchase), maka untuk selanjutnya perusahaan induk harus menggunakan metode ekuitas (equity method) berdasarkan SAK 15, maka setiap perubahan yang terjadi pada perusahaan anak yaitu laba atau rugi dan dividen yang diumumkan dan dibayarkan kepada pemegang saham sebagai penyesuaian terhadap nilai investasi saham perusahaan anak. Maka dalam laporan keuangan konsolidasi akan timbul akun timbal balik antara perusahaan induk dan perusahaan anak maka harus dieliminasi, oleh karena itu diperlukan kertas kerja laporan keuangan konsolidasi. Selanjutnya dalam perjalanan proses bisnis akan terjadi transaksi antara perusahaan induk dan perusahaan anak yang berkaitan dengan (down stream or up stream): Persediaan (inventory), Aktiva tetap yang tidak dapat disusutkan (land) dan yang dapat disusutkan (plant assets) serta obligasi (bond) yang diterbitkan apakah Induk yang menjual atau menerbitkan kemudian dimiliki oleh perusahaan anak atau sebaliknya maka pada kertas kerja laporan keuangan konsolidasi harus dilakukan penyesuaian (adjustment) terhadap akun-akun tersebut. Hal tersebut akan dibahas secara detail pada buku ini. Buku persembahkan penerbit ByPass

A Textbook of Cost and Management Accounting provides the students with thorough grounding in cost concepts, cost behaviour and methods, and techniques of cost and management accounting with an understanding of the uses and limitations of cost and financial data for managerial operations. The text of the subject matter has been presented in a student-friendly, simple and intelligible manner. Every discussion involving conceptual complexity is immediately illustrated by a numerical example. In addition, the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points. The subject matter has been

organized on 'first things first' basis for its logical presentation that sustains interest. The approach of the book is examination oriented. Thus, a good number of problems and solutions have been included in its chapters. Theoretical and numerical questions have been mostly selected from various examinations. Objective type questions have been given to serve as self test by students. This is an ideal book for self study. New to this edition • All chapters thoroughly revised • Latest information on Cost Accounting Standards (CAS) issued by the Institute of Cost Accountants of India (ICAI) • Chapter on 'Miscellaneous Topics' made more contemporary by including some new sub-topics, and thus re-named 'Advanced Cost Management Techniques' • Revision and augmentation of practical problems

Forensic accounting is a growing area of practice in which the knowledge, skills and abilities of advanced accounting are combined with investigative expertise and applied to legal problems. Forensic accountants are often asked to provide

litigation support where they are called on to give expert testimony about financial data and accounting activities. In other more proactive engagements, they probe situations using special investigative accounting skills and techniques. Some even see forensic accounting as practiced by skilled accounting specialists becoming part and parcel of most financial audits--an extra quality control step in the auditing process that will help reduce financial statement fraud.

Transform your high school accounting course with CENTURY 21 ACCOUNTING ADVANCED 10E, the leader in high school accounting education for more than 100 years. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 10e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the nine previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting

market. The Tenth Edition includes an increase integration of IFRS as well as the updated accounting standards.

Over the years Advanced Accountancy has emerged as the definitive and comprehensive textbook on accountancy as it completely meets the requirements of students preparing for B.Com., M.Com., MBA, and Professional examinations conducted by different institutions, such as the Institute of Chartered Accountants of India (ICAI), the Indian Institute of Bankers (IIB), the Institute of Company Secretaries of India (ICSI), and the Institute of Cost & Works Accountants of India (ICWAI).

Now in its Tenth Edition, Financial Services continues to be the leading textbook, aimed at reflecting the current regulatory and policy developments in the financial sector in India. The text has been substantially revised to include all the significant updates- notable policy and operational developments- till end-March 2019.

It provides a judicious mixture of theory and business practices, both from the non-banking financial intermediaries/companies (which provide the financial services) and their users viewpoint. of the contemporary Indian Financial Sector. Designed primarily for teachers and advanced students of finance, management, commerce and accounting, this book will also be useful for practicing professionals. Salient Features: • Comprehensive coverage of legal, procedural, tax, accounting and regulatory aspects. • A text focused on Financial Services alone, with in-depth analysis of the subject matter. • Mini Cases in the text and Comprehensive Cases on the website help readers to synthesize and apply the related concepts, theories, techniques and procedures.

The International Encyclopedia of Hospitality Management is the definitive reference work for any individual studying or working in the hospitality industry. There are 185 Hospitality Management degrees in the UK alone. This new edition updates and significantly revises twenty five per cent of the entries and has an additional twenty new entries. New online material makes it the most up-to-date and accessible hospitality management encyclopedia on the market. It covers all of the relevant issues in the field of hospitality management from a sectoral level (lodging, restaurants/food service, time-share, clubs and events) as well as a functional one (accounting and finance, marketing, strategic management, human resources, information technology and facilities management). Its unique, user-friendly structure enables readers to find exactly the information they require at a glance – whether they require broad detail that takes a more cross-sectional view across each subject field or more focused information that looks closely at specific topics and issues within the hospitality industry today.

Larsen's Advanced Accounting provides complete and in-depth coverage of the topics typically taught in a one-or-two semester advanced accounting course, including

partnerships, business combinations and consolidated financial statements. Faculty appreciate the current coverage of FASB and GASB regulations, the wealth of thorough end-of-chapter material, and the in-depth coverage in this shorter length Advanced text. Flexibility is provided by modularly designed parts, each self-contained, that allow instructors to cover only chapters that are appropriate for their class.

Accountancy & Quick Revision for CA IPCC (Group -II)

This author-written guide provides students Quiz and Test Hints, Matching questions, Fill-in-the-Blank questions (Parts A & B), Multiple-Choice questions, True/False questions, Exercises, and Problems for each chapter. Designed to assist students in comprehending the concepts and principles in the text, solutions for all of these items are available in the guide for quick reference.

The International Encyclopedia of Hospitality Management is the definitive reference work for any individual studying or working in the hospitality industry. This new edition updates and significantly revises 25% of the entries and has an additional 20 new entries. New online material makes it the most up-to-date and accessible Hospitality Management encyclopedia on the market. It covers all of the relevant issues in the field of hospitality management from both a sectoral level: Lodging, Restaurants/Food service, Time-share, Clubs and Events as well as a functional one: Accounting & Finance, Marketing, Strategic Management, Human Resources, Information Technology and Facilities Management. Its unique user-friendly structure enables readers to find exactly the information they require at a glance; whether they require broad detail which takes a more crosssectional view across each subject field, or more focused information which looks closely at specific topics and issues within the hospitality industry today.

Over The Years Advanced Accountancy Has Emerged As The Definitive And Comprehensive Textbook On Accountancy As It Completely Meets The Requirements Of Students Preparing For B.Com., M.Com., Mba, And Professional Examinations Conducted By Different Institutions, Such As The Institute Of Chartered Accountants Of India (Icai), The Indian Institute Of Bankers (Iib), The Institute Of Company Secretaries Of India (Icsi), And The Institute Of Cost & Works Accountants Of India (Icwai).

With increased competition among business groups, companies need to enhance the value of their business and effectively manage individual firms. This book explores and elucidates business group and inter-firm management in Japanese environments, both theoretically and practically through case studies, survey research and other methodologies. In considering the concept of the Keiretsu in Japan, as well as other management methods employed by Japanese companies, this book provides extensive coverage on uniquely Japanese management methods. Examples are the application of evaluation system, execution of M&A, utilization of segment information, management of inter-firm relations, and organizational learning. The analyses, hypotheses and conclusions presented in this book will be useful for business practitioners and scholars.

Shortly after the syllabi are posted, and long before the beginning of the term, interlibrary loan departments at academic libraries will have filled or rejected innumerable textbook requests. While it would be unwise if not impossible to buy and circulate every textbook at a college or university, there are many academic libraries who are selectively adding textbooks to their collections. And the practice seems to be gaining momentum. In this volume, the Association for Library Collections and Technical Services (ALCTS) and editor Chris Diaz gather case studies that pull together creative approaches and best practices for print textbook reserve programs. This book discusses such topics as results and analysis from a detailed survey of a state university's core-course textbook reserve program; funding sources for starting or piloting a program; using aggregated enrollment, grade, and textbook cost data to identify "high impact" courses; identifying course-related books that are in the library's collection or fit an existing collection policy; workflow for using bookstore data with ILS and purchasing systems; and using LibGuides and Google Sheets to publicize textbook holdings, and how a back-end database supports discovery for students and reporting for reserves staff. A textbook reserve program can be one way of helping students who are struggling with the high cost of textbooks, and this book spotlights a variety of examples that can be used as models.

Financial statements are the cognitive instrument par excellence to understand a company's profitability, asset trends and financial performance. This volume is divided into three sections and addresses the main themes related to Financial Statements. The first part, "Financial Statement analysis – Main objectives and tools" illustrates the techniques commonly used to analyse and interpret financial statements: reformulations of statement of financial position and statement of comprehensive income and ratios. The second part, "IFRS –Accounting issues" presents the accounting issues of the most significant financial statements captions in accordance with International Financial Reporting Standards (IFRS) applicable on the date of publication of this manual. Consolidated financial statements are the subject of the third part, presenting the fundamental problems that gradually may arise from the consolidation process. The book is intended for all those - students or professionals - who intend to deal in a systematic way with the issues of construction and analysis of financial statements. The content of each chapter is enriched by examples, with the aim of facilitating understanding. ???????.?????

This revised edition of **ADVANCED MANAGEMENT ACCOUNTING** provides a comprehensive and updated coverage of important topics, current trends, latest ideas and researches in management accounting. Expanding on its theoretical base, the book provides practical exposition to help students strengthen conceptual understanding and develop problem-solving skills to succeed in the classroom and beyond. Pedagogically enriched with new features and an impressive layout, this new edition is an essential text for students of M.Com, MBA, CA, ICWA, CS, CFA and other professional courses

Buku ini pertama-tama membahas mengenai persekutuan (partnership), secara lengkap dibahas dari pembentukan sampai dengan likuidasi. Hal ini perlu diketahui oleh mahasiswa karena persekutuan masih banyak di Indoensia dalam bentuk UMKM yang menggunakan modal sendiri tanpa menerbitkan saham dan lain-lain. Oleh karenanya, harus ditegaskan secara hukum, bagaimana pengikatannya antar-anggota, yang dibahas dalam Bab 1 yaitu pembentukan persekutuan. Setelah dibentuk, bagaimana mengoperasikan persekutuan tersebut, standar apa yang digunakan, dan bagaimana pendistribusian laba yang diperoleh dibahas pada Bab 2. Sesuai dengan karakteristik persekutuan yaitu limited life maka kemungkinan terjadi pembubaran yang dibahas di Bab 3 yaitu apabila ada anggota yang akan masuk atau ada anggota yang mengundurkan diri. Pembahasan selanjutnya mengenai persekutuan diakhiri dengan likuidasi, dibahas pada Bab 4 dan Bab 5. Pembahasan selanjutnya mengenai joint venture (usaha patungan) yang mempunyai karakteristik yang hampir sama dengan persekutuan, namun ini dalam skala besar yang berbentuk perusahaan untuk mengelola suatu proyek dengan pendanaan cukup besar yang dikelola bersama, baik secara jangka panjang maupun jangka pendek. Joint venture bisa berbentuk permanen atau temporer, tergantung objek yang dikelola. Hal ini dibahas dalam Bab 6. Bab 7 membahas mengenai konsinyasi, ini pun masih relevan dengan kondisi ekonomi sekarang dimana masih banyak kegiatan bisnis yang dilakukan dengan cara konsinyasi, baik bersifat sementara atau memang proses bisnisnya harus dilakukan dengan cara konsinyasi. Sistem ini biasanya terjadi pada

perusahaan jasa transportasi (logistik) dan perusahaan yang bergerak di bidang percetakan dan fesyen. Sementara Bab 8 dan Bab 9 membahas penjualan angsuran (installment), hal ini juga masih banyak dilakukan oleh perusahaan, tidak hanya di bidang real estate, tetapi sekarang sudah ke semua produk kebutuhan rumah tangga. Hal ini juga terkait dengan daya beli masyarakat dan penghasilan yang terbatas maka dibahas bagaimana membeli kendaraan secara angsuran, yang secara detil dibahas pada Bab 9. Bab 10 dan bab 11 membahas mengenai perusahaan yang sudah berkembang dengan membentuk cabang. Bagaimana akuntansi untuk cabang dan pusat secara standar akuntansi dan bagaimana menyusun laporan keuangan gabungan antara kantor pusat dan kantor cabang. Saat ini pun banyak perusahaan yang mempunyai cabang, dan bagian akuntansi mengalami kesulitan dalam menyusun laporan keuangan gabungan. Sehubungan dengan hal tersebut, dalam buku ini dipandu bagaimana menyusun laporan keuangan gabungan secara sistematis. Buku persembahan penerbit Bypass

Offer your students the most authoritative, comprehensive coverage of advanced accounting topics available with Fischer/Taylor/Cheng's **ADVANCED ACCOUNTING**, 11th Edition. Fully revised to incorporate the latest FASB statements and their impact on consolidations, **ADVANCED ACCOUNTING**, 11th Edition, combines sound theoretical foundations with a hands-on, learn-by-example approach that has established this text as the prominent leader in today's advanced accounting classrooms. **ADVANCED ACCOUNTING**, 11th Edition, closely links theory and practice, helping students visualize the application of theories through numerous actual examples common in today's accounting. The text's proven focus on conceptual understanding and clear presentation style make even the most complex topics approachable. Proven end-of-chapter questions not only reinforce major concepts and issues from each chapter but they also challenge students to think critically and expand their reasoning skills. Only **ADVANCED ACCOUNTING**, 11th Edition, uses a horizontal approach to consolidations, the format most commonly used in the business world. A common coding for eliminations and adjustments enables students to recall worksheet adjustments quickly from one chapter to the next. Integrated coverage of Excel with a step-by-step tutorial and Electronic Online Working Papers prepare students to master this important business software tool. A trusted preparation resource for the CPA exam, **ADVANCED ACCOUNTING**, 11th Edition, provides the knowledge your students need for successful professional careers in today's global economy.
