Vikings, pirates, heroes, rogues, and explorers . . . all have heard the siren call of the sea, and master storyteller Harold Lamb chronicled some of their most daring exploits. This single volume contains all of Lamb's historical seafaring stories, drawn from rare and fragile pulp magazines. Never before collected, these short stories and novels are a treasure trove of adventure. Best known for his stirring tales of Cossacks and crusaders, Lamb was no stranger to swashbuckling, and his sea stories deliver it in buckets. Sail with John Paul Jones as he fights to save the crippled Russian fleet from the Turks, one eye always alert for the knives of his czarist rivals. Venture across the desert with a lone American on a desperate venture against the Barbary corsairs. Seek the Northeast Passage, beset by ice, storms, and traitors from within, at the side of explorer Ralph Thorne. Ride the whale road with the Vikings, plying their swords from Iceland to Byzantium. Introduced by best-selling author S. M. Stirling, this volume concludes with a rare behind-the-scenes look at Harold Lamb's writing secrets, penned by the editor who made him famous.

"This book is a companion volume to Biographical books, 1950-1980, completing a comprehensive one hundred and five year bibliography of biographical and autobiographical works published or distributed in the United States"--Preface.

Lounsbury James Fenimore Cooper by Mary E. Phillips James Fenimore Cooper (1789-1851) was a prolific and popular American writer of the early 19th century. His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy, which greatly influenced many of his novels. The novel that launched his career was The Spy, tale of espionage in Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as

the Leatherstocking Tales. Among his most famous works is the Romantic novel *The Last of the Mohicans*.

A multitude of land and sea adventures await in these two popular destinations, with their pristine rivers and forests and fascinating wildlife.

This comprehensive guide takes in all kinds of activities here OCo hiking in Fundy National Park, sea kayaking, biking the Confederation Trail, sightseeing at Flowerpot Rocks. It covers all the basic too: accommodation, restaurants, travel tips, cultural events and more."

With long, solitary periods at sea, far from literary and cultural centers, sailors comprise a remarkable population of readers and writers.

Although their contributions have been little recognized in literary history, seamen were important figures in the

With over 900 biographical entries, more than 600 novels synopsised, and a wealth of background material on the publishers, reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest account of the period's fiction ever published.
