Lucy Angkatell invited Hercule Poirot to lunch. To tease the great detective, her guests stage a mock murder beside the swimming pool.

Unfortunately, the victim plays the scene for real. As his blood drips into the water, John Christow gasps one final word: 'Henrietta'. In the confusion, a gun sinks to the bottom of the pool. Poirot's enquiries reveal a complex web of romantic attachments. It seems everyone in the drama is a suspect - and each a victim of love.

business, Newman includes some of the most active entrepreneurs on the planet, including Jimmy Pattison and Paul Desmarais. The grand literary master at the top of his game shares the inside stories of these pivotal characters whose lives and times set examples for all of us.

Beautiful young Elinor Carlisle stood serenely in the dock, accused of the murder of Mary Gerrard, her rival in love. The evidence was damning: only Elinor had the motive, the opportunity, and the means to administer the fatal poison. Yet, inside the hostile courtroom, only one man still presumed Elinor was innocent until proven guilty. Hercule Poirot was all that stood between Elinor and the gallows....

In a remote house in the middle of Dartmoor, six shadowy figures huddle around a table for a seance. Tension rises as the spirits spell out a chilling message: "Captain Trevelyan . . . dead . . . murder." Is this black magic or simply a macabre joke? The only way to be certain is to locate Captain Trevelyan. Unfortunately, his home is six miles away and, with snowdrifts blocking the roads, someone will have to make the journey on foot. . . .

The final POIROT omnibus, featuring the last four appearances of the detective's side-kick, the sleuthing crime novelist Ariadne Oliver: *Third Girl*, *Hallowe'en Party*, *Elephants Can Remember* and *The Pale Horse*. Poirot and Mrs Oliver continue their

sleuthing in the 1960s in four uncharacteristically 'modern' novels with an added twist of danger... Third Girl Poirot finally admits he is growing old as a perplexed girl thinks she may have killed someone. Here Christie dragged Poirot into the swinging 60s and effectively squared him up against a world featuring sex, drugs and hippies. Hallowe'en Party A teenage murder witness is drowned in a tub of apples. This was only the second time Christie wrote about the death of a child, and is all the more engrossing for it. Elephants Can Remember An old husband and wife double murder has never been solved -- until now. This was the very last Poirot story that Agatha Christie wrote, and garnered good reviews. The Pale Horse A priest's death leads to sinister goings-on in an old country inn. This bonus novel featured Mrs Oliver for once without Poirot and was one of Christie's darkest stories, blending witchcraft and murder.

The last three of six psychological romance novels, love stories with a jagged edge, by the Queen of Crime, writing under the pseudonym Mary Westmacott. Agatha Christie is known throughout the world as the Queen of Crime. It was her sharp observations of the ambitions that drive people, their relationships and the conflicts that erupt between them, that added life and sparkle to her ingenious detective novels. on the trail of a killer with something to hide. Reissue. Shakespeare Survey is a yearbook of Shakespeare studies and production. Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme, or play, or group of plays; each also contains a section of reviews of the previous year's textual and critical studies and of major British performances. The books are illustrated with a variety of Shakespearean images and production photographs. The current editor of Survey is Peter Holland. The first eighteen volumes were edited by Allardyce Nicoll, numbers 19-33 by Kenneth Muir and numbers 34-52 by Stanley Wells. The virtues of accessible scholarship and a keen interest in performance, from Shakespeare's time to our own, have characterized the journal from the start. For the first time, numbers 1-50 are being reissued in paperback, available separately and as a set.
