Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Alexander is not going to leave his best friend Paul. Or Rachel, the best babysitter in the world. Or the Baldwins, who have a terrific dog named Swoozie. Or Mr. and Mrs. Oberdorfer, who always give great treats on Halloween. Who cares if his father has a new job a thousand miles away? Alexander is not -- Do you hear him? He Means it! -- going to move.
