

Alfa Romeo 156 Selespeed Service Manual

There is something special about Alfa Romeo cars which can't be defined precisely but is, perhaps, best described as a vitality that creates a symbiosis between driver and machine: a oneness that no other marque seems to replicate. Alfa's Berlinas have always tended to be overshadowed by their spotlight-grabbing Coupé and Spider siblings, but enthusiasts with family car needs have always known that any saloon/sedan with the famous Alfa Romeo badge would deliver pure driving pleasure in equal measure. Here is the full story of Alfa's quirky but characterful Berlinas, from their beginnings in the early 1900s through to the start of a new millennium. Not only does the book describe and picture every model, it also contains useful information on restoring classic Alfa Romeos and details of marque specialists.
