Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored. Disciplinary Literacy Connections to Popular Culture in K-12 Settings is an essential publication that explores a conceptual framework around pedagogical connections to popular culture. While highlighting a broad range of topics including academic creativity, interdisciplinary storytelling, and skill development, this book is ideally designed for educators, curriculum developers, instructional designers, administrative officials, policymakers, researchers, academicians, and students.

A reference that covers American stage, film, and television musicals from 1860 to 2007 offers information on the musical productions and the historical evolution of the musical, as well as on performers, composers, and producers.

This collection provides a representative set of theatrical performances popular on the nineteenth-century British stage. All are newly edited critical editions that account for variant sources reflecting the process of rehearsal, licensing, and production. Detailed introductions and extensive notes explain the texts' relationship to repertoires, the circulating discourses of intelligibility that constantly recombine in performance. The plays address the topical concerns of slavery, imperial conquest, capitalism, interculturalism, uprisings at home and abroad, modernist aesthetic innovation, and the celebration of collective identities. Adaptations from novels, travelogues, and other plays are discussed along with the theatrical history that sustained these works on the stage.
