For the first time, the final years of one of the world's most captivating rock showman are laid bare. Including interviews from Freddie Mercury's closest friends in the last years of his life, along with personal photographs, Somebody to Love is an authoritative biography of the great man. Here are previously unknown and startling facts about the singer and his life, moving detail on his lifelong search for love and personal fulfilment, and of course his tragic contraction of a then killer disease in the mid-1980s. Woven throughout Freddie's life is the shocking story of how the HIV virus came to hold the world in its grip, was cruelly labelled 'The Gay Plague' and the unwitting few who indirectly infected thousands of men, women and children - Freddie Mercury himself being one of the most famous. The death of this vibrant and spectacularly talented rock star, shook the world of medicine as well as the world of music. Somebody to Love finally puts the record straight and pays detailed tribute to the man himself.

The book comprises three tales written in "classical" verse (i.e., strict rhythms and rhyme.) Although in the form of fairy tales and fables, they deal with important social and historic issues. "A Tale of Dancing Chair" decries racial discrimination and expounds the idea that, regardless of outside help, success comes to those who don't shy away from hard work, are willing and able to use creative potential to the fullest, and stand up to bigotry, injustice, and unfair judgement. "A Tale of Captive Puffins . . ." reflects upon events in the history of Russian/Soviet Jewry in the twentieth Century. To recognize historic prototypes of the fable's characters, one should read up on history of Tsarist Russia and Soviet Union, Weimar and Nazi Germany. However, it is not a prerequisite: the Tale is intended to trigger reader's interest in those chapters of history. "A Tale of Boy Nightingale . . . " is intended to make dents in prejudices against unconventional" (gay and lesbian) families. It proclaims love, respect, and loyalty as traits identifying and holding together families, asserts that friendship between children from different families is greatest hope and strongest weapon in the struggle against prejudices still prevalent in society.

A deep novel - with a personal dedication from Rev. June Juliet Gatlin, Michael Jackson's spiritual advisor. This is an important piece of truth about Michael – share the thrill, read the book, gift it, review it, criticize it - give the truth around Michael Jackson a chance - let the true Michael live!

The great violinist Viktoria Mullova's story is one of striking contrasts and huge challenges. As a young musician she was a bright star in the Soviet musical firmament, but she stunned the world when she escaped the KGB and fled to the West, leaving behind her family, friends and all she knew. And in her flight from Finland, Viktoria also abandoned on her hotel bed the priceless Stradivarius she'd played during her triumph at the International Tchaikovsky Competition. From Russia to Love recounts the journey of a remarkable woman. Armed only with her violin bow and her exceptional talent, Viktoria went on to conquer the West. As her new life unfolded, first in America and then in Europe, Viktoria met fellow exiles Nureyev and Rostropovich, fell in love with conductor Claudio Abbado and learned to throw off the shackles of her Russian training. Granted unparalleled access to her subject, Eva Maria Chapman paints an intimate, truthful and sensitive portrait of a unique artist.

THE FLAME OF TRANSFORMATION TURNS TO LIGHT is a book of poems in traditional ghazal form, the first half begun in Turkey, companion volume to "open form" poems written at a later visit, published in 2006 as Love is a Letter Burning in a High Wind (The Ecstatic Exchange). Visiting the epiphany-inducing tombs of Mevlana Rumi and his spiritual companion Shems in Konya, their baraka bathing the journey, the grave of Turkey's great native Sufi poet, Yunus Emre, and traveling through a land of such subtle spirituality, these poems chronicle an imagistic diary through both interior and exterior countrysides, with the second half continued in the same vein at home in Philadelphia.

From Cuba with Love deals with love, sexuality, and politics in contemporary Cuba. In this beautiful narrative, Megan Daigle explores the role of women in Cuban political culture by examining the rise of economies of sex, romance, and money since the early 1990s. Daigle draws attention to the violence experienced by young women suspected of involvement with foreigners at the hands of a moralistic state, an opportunistic police force, and even their own families and partners. Investigating the lived realities of the Cuban women (and some men) who date tourists and offering a unique perspective on the surrounding debates, From Cuba with Love raises issues about women's bodies—what they can or should do and, equally, what can be done to them. Daigle's provocative perspective will make readers question how race and politics in Cuba are tied to women and sex, and the ways in which political power acts directly on the bodies of individuals through law, policing, institutional programs, and social norms.

When his friend George Gershwin persuaded Vladimir Dukelsky to change his name to Vernon Duke, what the music world already knew became apparent to the public at large—the man had two musical personas—one as a composer, the other as a tunesmith. One wrote highbrow music, the other lowbrow. Yet the two sides complemented each other. Neither could function without the other. Born and classically trained in imperial Russia, Vladimir Dukelsky (1903–1969) fled the Bolshevik Revolution with his family, discovered American popular music in cosmopolitan Constantinople, and pursued his budding interest to New York before his passion for classical music drew him to Paris, where the impresario Serge Diaghilev hired him to compose a ballet for the Ballets Russes. Taking a Chance on Love immerses us in Duke's dizzying globe-hopping and genre-swapping, as financial concerns and musical passions drive him from composing symphonies to writing songs, from brilliant successes to Broadway flops, and from performing with classical performers to writing books and articles.

Throughout, as he crisscrosses the landscape of American music, collaborating with lyricists such as Howard Dietz, Ira Gershwin, and Sammy Cohn, the incomparable Vernon Duke emerges clearly from these pages: sometimes charming, sometimes infuriating, always entertaining. Although Vernon Duke has entered the canon of American standards with such songs as "Taking a Chance on Love," "I Can't Get Started," and "April in Paris," little is known about the composer with two personas. Taking a Chance on Love brings the intriguing double life of Dukelsky/Duke back into the spotlight, restoring a chapter to the history of the Great American Songbook and to the story of twentieth-century music.
