Denise has been writing poetry since she was about thirteen. She has written poems for her family, friends, and for no reason at all. She always said some days I have it and some days I don't. She has been known to hand write about six to ten pages to get one poem, then other times she just starts writing and it all just comes out so good, one page one time. Denise always said someday she would have her poems / poetry in a book of her own. I really didn't ever think she would get around to it. Denise is always busy doing everything for everyone, never takes time for herself. I don't think she has written more than five or six poems in the past five years. She used to write all the time. It was nothing for her to have a pen and paper handy while driving, sleeping, cooking. Denise loves her family, & friends. She loves helping others, loves outdoors, loved her dogs dearly. Good Faith with your book Denise, I hope someone reads your poetry and wants to put them on a card, sing your words to music. I hope you sell a million dollars worth of your words. I know you will put it all towards good things.

This is a book of prophetic Words From God to instruct each day into the life of purity and holiness. This book will help you grow spiritually and have a deeper relationship with God. "Chapters of My Life" is a poetic expression of the many phases of life through which the author R. Michelle has traveled. Often referring to herself metaphorically, as a butterfly, with the stroke of a pen she has captured the realities as well as the fantasies of transformation; from the youthful larva through the restrictive cocoon into a brilliant, colorful, free creature. The words will drive you into a state of mesmerization. Come and observe the metamorphosis of one of God's wonderful, exhilarating creations. There is certain to be a word for you... Each piece is without question an original however, they are not those of the author. All come from the benefactor; the source. Through this transformation R. Michelle has learned that she is the essence of the source. It is not one purchased nor one acquired through classroom lessons, that is unless you consider living in this world to be the philosophical classroom. "My gift..." is to encourage, motivate, remind, initiate whatever it is that someone else has momentarily lost sight of. My gift is to bless others. This is my gift. Through my gift... it is my prayer that you will utilize your gift for its purpose. Indulge yourself in the gift... but as you partake do not neglect to get only your portion. You see "the gift..." in its entirety is not for any one. There may be only one line for you. It may be two or three poems. Or there may be an entire section or chapter for you. In "My gift..." you will find nourishment created specifically for you, if you read with the Spirit not your mind.
