John — whose surname "Chrysostom" occurs for the first time in the "Constitution" of Pope Vigilius (cf. P.L., LX, 217) in the year 553 — is generally considered the most prominent doctor of the Greek Church and the greatest preacher ever heard in a Christian pulpit. His natural gifts, as well as exterior circumstances, helped him to become what he was. This edition contains the 34 homilies on the Epistle to the Hebrews.

All Things to All People is an introverted narrative penned by the son of a Gospel preacher and his alter ego, Begees McFree. This playfully written autobiography of a simple, quiet, and peaceable man guides the reader through depression-induced insomniac confessions. Looking deep into the often-hidden places of the heart and mind, these confessions freed the writer from lies and misunderstandings that had been buried deep within. All Things to All People shares the spiritual struggle of a man after a divorce broke apart his life and separated him from his children. Begees uses freewriting to disentangle his poor choices from his good intentions, gaining more selfcontrol and growing closer to God while strenuously pushing unbelief out of his mind.

In 1964, Chrysler offered an optional V-8 with it's popular Dodge Valiant. Banking on the resulting success of this option package, Chrysler went on to release a decade worth of low-priced, high-performance muscle cars based on the "A-body" Valiant, including the Dodge Dart GT and GTS, the Swinger 340, and the Demon, as well as the Plymouth Duster. Today, these cars' phenomenal sales figures translate to a thriving Dart and Duster enthusiast scene. Color photography of restored and factory-original vehicles, along with archival black-and-white images, are accompanied by an authoritative history examining the development of the cars. In addition to model histories for each, there are in-depth discussions of vehicle design and production, driving impressions, accessories and options, popular performance upgrades of the period, and the cars' successful histories at the drag strip.
