When LOUISE HAY published the first edition of *Empowering Women* 20 years ago, her hope was to help all women experience and take ownership of their self-love, self-worth, self-esteem, and rightful, powerful place in the world.

The Essential Louise Hay Collection is an omnibus of Louise Hay's most loved books - *You Can Heal Your Life*, *Heal Your Body* and *The Power is Within You*. *You Can Heal Your Life* is a New York Times bestseller with over 39 million copies sold worldwide. Louise's key message in this powerful work is that 'if we are willing to do the mental work, almost anything can be healed'. She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking and improve the quality of your life. In *Heal Your Body*, Louise describes the methods she used to cure herself of cancer more than 20 years ago. Using her simple and practical techniques, you will be surprised to discover patterns in your own ailments that reveal a lot about yourself. *The Power is Within You* expands on Louise's philosophy of 'loving the self' and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within and letting your true feelings surface.

Since its publication in 1984, Louise Hay's international bestseller *You Can Heal Your Life* has sold over 40 million copies worldwide. Now, in *MIRROR WORK: 21 DAYS TO HEAL YOUR LIFE*, the popular teacher and author offers the first book dedicated to her signature practice for personal transformation. The Mirror Principle, one of Louise's core teachings, holds that our experience of life mirrors our relationship with ourselves; unless we see ourselves as loveable, the world can be a dark and lonely place. Mirror work—looking at oneself in a mirror and repeating positive affirmations—is Louise's powerful method for learning to love oneself and experience the world as a safe and loving place. Like her successful video course, *Loving Yourself*, *MIRROR WORK* lays out a 21-day program of teachings and exercises to help readers deepen their relationship with themselves and live a joyous and fulfilling life. "Doing mirror work," Louise tells readers, "is one of the most loving gifts you can give yourself." Each of the 21 days is organized around a theme, such as monitoring self-talk, overcoming fear, releasing anger, healing relationships, forgiving self and others, receiving prosperity, and living stress-free. The daily program involves an exercise in front of the mirror, affirmations, journaling, an inspiring Heart Thought to ponder, and a guided meditation. Packed with practical guidance and support, presented in Louise's warmly personal words, *MIRROR WORK*—or *Mirror Play*, as she likes to call it—is designed to help readers:

- Learn a deeper level of self-care
- Gain confidence in their own inner guidance system
- Develop awareness of their soul gifts
- Overcome resistance to change
- Boost self-esteem
- Cultivate love and compassion in their relationships with self and others

In just three weeks, the reader can firmly establish the practice of Mirror Work as an ongoing vehicle for positive growth and self-care, and a path to a full, rich life.

Dr. Wayne W. Dyer, Joan Z. Borysenko, Lee Carroll, Sri Daya Mata, Doreen Virtue, Bernie Siegel, M.D., Dan Millman, John Randolph Price, and others share their understanding of the practice of gratitude.

"Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation

only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from *Heal Your Body*. *All Is Well* brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, *All Is Well* separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.

This 30-day affirmation guide is designed to help create a new, beautiful, healthier, and happier body. Old thought patterns are changed to provide a new appreciation of the body.

Updated Edition, with a Revised Cover! "This book is a collection of letters I've received and answered over the years from people all over the world. The letters express deep concerns about 20 different topics—including addictions, dis-ease, family relationships, the inner child, and parenting, just to name a few. Almost all of the people who have written to me have wanted to change themselves—and their world—in some way. In my replies, I've tried to be the catalyst that helps these individuals accomplish their goals. I think of myself as a stepping-stone on a pathway of self-discovery. Perhaps you will see some aspect of yourself in these pages. It is my belief that by reading about other people's challenges and aspirations, we can see ourselves and our own problems in different ways. Sometimes we can use what we learn from others to make changes in our own lives. I hope this book will allow you to realize that you, too, have the strength within to change, and to find solutions on your own—that is, to seek the answers that are within you." — Louise L. Hay

In a book that divides the body into seven "emotion centers," the author asserts that emotions have a tremendous effect on how the various areas of the body manifest themselves.

"A much-needed guidebook . . . a treasure chest of insights." — Caroline Myss, M.D. "[A] brilliant new work . . . profound healing advice." — Brian L. Weiss, M.D. Many of us grapple with how to stay happy, calm, and focused in a world that seems to get more complex by the minute. How do we keep our wits about us, our mood stable, and our memory intact when our brains and bodies are bombarded with information and influences from every side? This one-of-a-kind resource combines cutting-edge science with compassion and wisdom to offer answers we can really use. Heal Your Mind continues the three-pronged healing approach that Dr. Mona Lisa Schulz and Louise Hay pioneered together in All Is Well: Heal Your Body with Medicine, Affirmations, and Intuition. Here, it's applied to aspects of the mind ranging from depression, anxiety, and addiction to memory, learning, and even mystical states. You'll learn what's going on in your brain and body when you feel sad, angry, or panicked; you have trouble focusing, reading, or remembering; a past trauma is clouding your mind in the present; and more. And in each chapter, you'll get a "virtual healing experience" through case studies in the All Is Well Clinic, where Dr. Mona Lisa uses medical intuition to pinpoint issues in a wide range of prototypical client histories and she and Louise offer solutions and affirmations to help restore well-being. Today, we tend to think our minds and bodies need an endless array of expensive, ever-changing pharmaceutical interventions. In truth, medicines are just one approach to healing the mind; nutritional supplements also support mind-body health; and affirmations restore us to balance by changing the way we think. Heal Your Mind puts all these tools at your disposal to help you choose your own path.
