Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever!

This book mainly discusses about the alter ego perspectives in literary historiography. This comparative analysis of the major Chinese literary histories in China and in the West brings to light the alter ego perspectives of Stephen Owen in literary historiography. The most interesting part of the book will be the interpretation of new notions and perspectives proposed by Stephen Owen, especially in the newly published *The Cambridge History of Chinese Literature* (2010). This book gives a detailed overview about the different stages of writing Chinese literary history and the different modes of literary historiography in China and in the West. Two case studies of Chinese poems are made on the notion of discursive communities and the Cultural Tang. Readers will a better understanding about the paradigm of literary historiography and the interrelationships between the different modes of literary historiography and the intellectual history. ?

French Women Don't Get Fat meets *The Little Book of Hygge* in this lively, sophisticated, and practical illustrated lifestyle guide that shows how to enjoy *la belle vie*—to live like the French every day—transforming your house into a home defined by beauty, family, and accessible elegance. How do the French create the elusive and alluring sanctuaries they call home? This question long intrigued Danielle Postel-Vinay. Thanks to a chance encounter with a French expat in La Crosse, Wisconsin, and years of immersive research, she embarked on a quest to discover the secrets of the French home aesthetic. Experiencing first-hand *la belle vie*—the beautiful life—Postel-Vinay now shows everyone how to create their own French sanctuary, a home sweet maison, no matter where they live. Providing more than just interior decorating and design tips, Postel-Vinay teaches you how to foster the warmth, beauty, and rituals inherent in the French home and create an environment better suited to living a rich, full, connected life. At the center of the book is the idea that your house should be a reflection of you, your hobbies, your family history, your rituals, all the things that make your life unique. A happy home is a home that expresses your rituals and your taste, not one that relies on prefab décor from a mass retailer. *Home Sweet Maison* takes a room-by-room approach to show how the French view:

The Aesthetic: why the objects in your home matter, why minimalism is overrated, and why the French always choose the perfect décor for their salons
The Practical: how to use mise-en-place, or the French art of organization, in your kitchen, and how to find the right stain-removing potions to create your own French laundry
The Sensual: the way the French employ scent in their home as a personal signature
The Philosophical: the idea that every room in a French house has a specific purpose, and that the activity in one room should never bleed into the others
Home Sweet Maison encapsulates the very heart of the French way of seeing the world: set the table formally, adhere to all the conventions of ritual and tradition, then take pleasure in indulgence. It's about using French concepts and routines to change our homes, our relationships, and our lives for the better.

The Blackwell Guide to Aesthetics is the most authoritative survey of the central issues in contemporary aesthetics available. The volume features eighteen newly commissioned papers on the evaluation of art, the interpretation of art, and many other forms of art such as literature, movies, and music. Provides a guide to the central traditional and cutting edge issues in aesthetics today.

Written by a distinguished cast of contributors, including Peter Kivy, George Dickie, Noël Carroll, Paul Guyer, Ted Cohen, Marcia Eaton, Joseph Margolis, Berys Gaut, Nicholas Wolterstorff, Susan Feagin, Peter Lamarque, Stein Olsen, Francis Sparshott, Alan Goldman, Jenefer Robinson, Mary Mothersill, Donald Crawford, Philip Alperson, Laurent Stern and Amie Thomasson. Functions as the ideal text for undergraduate and graduate courses in aesthetics, art theory, and philosophy of art.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Tim Cawkwell's knowledge and experience of the cinema has been poured into his writings about it. Originally published in 2004, this new edition sees some substantial revisions: some previous material has been dropped and a lot of new material has been added, especially on more recent films. The whole text has been very significantly reshaped with the addition of images to support Tim's writing. Dozens of films are referred to in this book, which finds new insights into the variety of religious narratives that different countries have produced. Those receiving more in-depth consideration include such masterpieces as *The Passion of Joan of Arc*, *Rome Open City*, *Diary of a Country Priest*, *Winter Light*, *The Gospel According to St Matthew*, *Three Colours: Red*, *O Brother Where Art Thou?*, *Night Of The Hunter*, *The Funeral*, *The Samurai*, *A Man Escaped*, *In The Fog*, *The Word*, *Babette's Feast*, *Silent Light*, *Andrei Roublev*, *The Colour of Pomegranates*, *Mother and Son*, *It's a Wonderful Life*, *The Searchers*, *Hail Mary*, *The Banishment*, *Dead Man Walking*, *Tree of Life*, *Into Great Silence*, *A Canterbury Tale* and *Philomena*. The aim of this new edition is both to explore the way religious narrative has produced a number of masterpieces from such major film-makers as Bresson, Dreyer, Rossellini, Tarkovsky and Kieślowski, but also to reflect on the way the core ideas of Christianity such as salvation, martyrdom and redemption continue to surface in films. Tim also explores the way that a cultural shift towards doubt about the value of religion and even hostility towards Christianity itself has revealed itself in films. Tim describes the way the different denominational contexts of Christianity such as Catholicism, Lutheranism and Orthodoxy differentiate films coming out of those contexts and considerably enrich the whole picture. The book pays particular attention to the way films are conceived and created with a view to illuminating their virtues as a visual medium. It is written in a sinewy but clear style and commends itself to anyone interested in the history of the cinema and in cultural changes since the Second World War.

A top performance expert reveals the secret behind many top athletes and executives: creating a heroic alter ego to activate when the chips are down. There's only one person in the way of you untapping your potential: You. There's also one person who can move you out of the way so you can perform at your peak. That person is already inside you. You just need to unlock them. This other part of you is your Alter Ego. After twenty-one years of working with elite athletes, performers and leaders, Todd Herman has discovered how you can use your alter ego to achieve the seemingly impossible. It all clicked for Todd when he met Bo Jackson. When Herman met Bo Jackson, the professional athlete told him, "Bo Jackson never played a down of football in his entire life." Bo explained that when he was young, he'd get into trouble because chaos caused by his anger issues. Then, he saw Friday the 13th and became fascinated by the cold, calculating nature of Jason

Vorhees. In that moment, he resolved to stop being Bo Jackson, and start being Jason the moment he stepped on the field. In this transformative guide, Herman teaches you how to create and control an Alter Ego like Bo—and the thousands of other athletes, business leaders, entrepreneurs, and entertainers who have used this simple tool to change their lives. Herman also shares his own story: he knew that inside was a confident, self-assured, intelligent person who could help others get better results in their lives. When he started using superman's classic trick—putting on a pair of glasses—he learned to trigger the specific traits he needed to achieve his goals. The Alter Ego Effect is not about creating a false mask—it's about finding the hero already inside you. It's a proven way of overcoming the self-doubt, negativity, and insecurity that hold you back, and empowering you to ultimately become your best self.

This is the first full-length study in English of Michel Leiris's work. Frequently cited as a central figure in contemporary French culture, Seán Hand explores Leiris's participation in some of the most striking intellectual and artistic movements of the twentieth century; surrealism, ethnography and existentialism. Hand locates his writing in these different contexts in relation to the major artistic, political and philosophical concepts of the period. He goes on to argue that Leiris's multi-volume autobiography stands as the model form of self-enquiry in the twentieth century.

Chamine exposes how your mind is sabotaging you and keeping you from achieving your true potential. He shows you how to take concrete steps to unleash the vast, untapped powers of your mind.

This second edition of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching from first stages to GCSE. Completely revised and restructured in the light of a nationwide survey of

Classics teachers, it provides an exciting, stimulating approach to Latin based on the reading of original texts. Parts I-III are built around a narrative detailing the life of Horace, based closely on historical sources, which helps students to develop an understanding of the times of Cicero and Augustus.

It comprises essays written during a difficult time in Twain's life (1904–1909), when he was deeply in debt and had recently lost his wife and one of his daughters. The content concerns morality and religion and strikes a tone that is sarcastic - Twain's own term throughout the book.

First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

Perfect for fans of *Raina Telgemeier*, *Awkward*, and *All's Faire in Middle School*, this graphic novel follows a neighborhood of kids who transform ordinary cardboard into fantastical homemade costumes as they explore conflicts with friends, family, and their own identity. "A breath of fresh air, this tender and dynamic collection is a must-have." --Kirkus, Starred Welcome to a neighborhood of kids who transform ordinary boxes into colorful costumes, and their ordinary block into cardboard kingdom. This is the summer when sixteen kids encounter knights and rogues, robots and monsters--and their own inner demons--on one last quest before school starts again. In the Cardboard Kingdom, you can be anything you want to be--imagine that! The Cardboard Kingdom was created, organized, and drawn by Chad Sell with writing from ten other authors: Jay Fuller, David DeMeo, Katie Schenkel, Kris Moore, Molly Muldoon, Vid Alliger, Manuel Betancourt, Michael Cole, Cloud Jacobs, and Barbara Perez Marquez. The Cardboard Kingdom affirms the power of imagination and play during the most important years of adolescent identity-searching and emotional growth. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS * THE NEW YORK PUBLIC LIBRARY * SCHOOL LIBRARY JOURNAL * A TEXAS BLUEBONNET 2019-20 MASTER LIST SELECTION "There's room for everyone inside The Cardboard Kingdom, where friendship and imagination reign supreme." --Ingrid Law, New York Times bestselling author of *Savvy* "A timely and colorful graphic novel debut that, like its many offbeat but on-point characters, marches to the beat of its own cardboard drum." --Tim Federle, award-winning author of *Better Nate Than Ever*

Langston Hughes has been an inspiration to generations of readers and writers seeking a passionate, intelligent, and socially responsible art. In this volume, Steven C. Tracy has gathered a broad range of critics to produce an

interdisciplinary approach to the important historical and cultural elements reflected in the variety of genres in which Hughes worked. Through the lenses of creative writers, musicians, social activists and critics, this collection explores the ways that Hughes transformed American literature and society. Rooting his aesthetic in the art and values of Black folk, Hughes mediated the conflicting artistic demands of both the literati and the masses, demonstrating the social and spiritual power of art. Contributors to this volume place Hughes in the context of Harlem, his preferred geographical and spiritual home base, as well as the larger political, social, musical, and artistic milieu of his rapidly changing times. Their essays examine Hughes's negotiation of his own moral and ethical ground in a complex, sometimes hostile world, and demonstrate the remarkable triumph of a sensitive, creative human being who refused to be overwhelmed by the forces of discrimination, pessimism, and bitterness that claimed so many writers of his generation. An essentially very private individual, Hughes nonetheless rejected difficulty, obscurity, and the ivory tower in order to generate a very public life and art. This volume, with its historical essays, brief biography, and illustrated chronology, provides a concise yet authoritative portrait of one of America's and the world's most beloved writers.

This critical study examines the theme of interpersonal encounter in a range of late twentieth- and early twenty-first-century travel writing written in French and Italian. Structured typologically, each chapter focuses on a typical activity that brings traveller-protagonists into contact with other people. Drawing on literary critical studies of travel writing, sociological and anthropological approaches to tourism, as well as research in French and Italian area studies, 'Interpersonal Encounters in Contemporary Travel Writing' locates the concept of encounter within the context of modern tourism.

A young artist pursues a search for knowledge through the treatment of homosexuality and the collapse of morality in middle class France.

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels

of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.”

This book provides rules for the etiquette to be observed in the street, at table, in the ball room, evening party, and morning call; with full directions for polite or responsive, dress, conversation, manly exercises, and accomplishments. Man was not intended to live like a bear or a hermit, apart from others of his own nature, and, philosophy and reason will each agree with me, that man was born for sociability and finds his true delight in society. Society is a word capable of many meanings, and used here in each and all of them. Society, par excellence; the world at large; the little clique to which he is bound by early ties; the companionship of friends or relatives; even society tete a tete with one dear sympathizing soul, are pleasant states for a man to be in. All in all this is a great book on etiquette. A great place to learn the rules of etiquette.
