Have you noticed that it is easy to speak of God's faithfulness in times of prosperity, but that in times of suffering, such praise becomes lost? In Hide and Watch, a true story of sorrow and distress, of hope and triumph, Jill Hicks Lawson shares how she was spiritually transformed by overcoming her doubt in God during times of struggle. From enduring her battle with weight, her mother's kidney disease; to experiencing debilitating infertility and painful divorce; and eventually to becoming her mother's only hope for life, Lawson's personal accounts speak to the universal human experience of suffering, both physical and emotional, providing firsthand proof that, regardless of circumstance, God is in the business of giving hope. By recounting moments of pain and progress, Lawson demonstrates that anguish is the only pathway to experiencing the dramatic joy and peace that result from God's intervention and healing, assuring those amidst the battle that, in the end, what does not kill your faith makes it stronger.

Can the mixologists shake up a solution to multiple mysteries before they're skewered like the olive in a martini? Vexed by Vodka is the third book in the Bohemia Bartenders Mysteries, funny whodunits with a dash of romance set in a convivial collective of cocktail lovers, eccentrics and mixologists. I am not a celebrity or any other house hold name you could have heard about on the radio or TV. This is my first book. I have no other writing experience. One day as I was sitting in one of my sister's TV room wasting more of my time it dawn on me to write a book about my short hard life I had lived. For some reason I had the faith that this book would be in stores next to celebrities books. I guess it was because I really had a lot of faith that my book on my real life problems maybe would help someone to get some real help with similar issues before it would be too late. I am just a small town girl that has encountered a lifetime of problems by the age of 43, by my own doing mostly and some the devil helped me with, since I have been on God's Mysterious, challenging, unexpected and surprising earth. I will talk about the pain I endured when I was molested at the age of eleven by a close family friend. I lived through depression, anxiety and panic attacks that almost caused me to end my life on many occasions. I've battled mental and physical abuse by the hands of my ex-husband. I have been dealing with the unexpected death of my last man that had almost caused me to lose my mine. I battled the demon of drugs that could have ended my life with one puffing on crack cocaine along with a lot of health problems that could have caused me to have a stroke or heart attack. I hope and pray that my book will help someone; somehow to deal with their problems better than I did. I thank you for purchasing my first book with all my heart. There will be more books to come. ENJOY! GOD BLESS!
