Offers a brief look at Taiwan's history, culture, and land, describes the reason for migrating to the United States--mainly after 1965--and profiles prominent individuals

For years, fans of Avatar: The Last Airbender and The Legend of Korra have burned with one question—what happened to Fire Lord Zuko's mother? Finding a clue at last, Zuko enlists the aid of Team Avatar—and the most unlikely ally of all—to help uncover the biggest secret of his life. * This is the perfect companion to The Legend of Korra! * The official continuation of Airbender from its creators!

Collects new stories of the Green Turtle, a masked hero in the 1940s whose alter-ego is Chinese-American.

In 1898 China, Little Bao has had enough of foreign missionaries and soldiers robbing peasants, and he recruits an army of Boxers to fight to free China from its oppressors.

Alternates three interrelated stories about the problems of young Chinese Americans trying to participate in the popular culture. Presented in comic book format.

Asian Americans adopts the unique approach of examining the issues, and often obstacles, specific to Asian immigrants into the United States, such as occupational and economic adjustment, intermarriage and settlement patterns. The Second Edition has been updated to include information derived from the 2000 US Census.

FREE AUDIO BOOK INCLUDED! "Yes" and "No" are not as straightforward in Chinese as they are in English. Follow along with Mina on her 1st day at school and meet the delightful characters while learning the many ways of saying "Yes" and "No" in Chinese. Written in English, Traditional Chinese & Pinyin.

A fascinating collection of essays that recovers the lives and experiences of individuals who staked their claim to Chinese American identity. The first section of the book focuses on the incoming immigrants. The second section looks at their children, who deeply felt the contradictions between Chinese and American culture, but attempted to find a balance between the two. Annotation Chinese American Transnationalism considers the many ways in which Chinese living in the United States during the exclusion era maintained ties with China through a constant interchange of people and economic resources, as well as political and cultural ideas. This book continues the exploration of the exclusion era begun in two previous volumes: Entry Denied, which examines the strategies that Chinese Americans used to protest, undermine, and circumvent the exclusion laws; and Claiming America, which traces the development of Chinese American ethnic identities. Taken together, the three volumes underscore the complexities of the Chinese immigrant experience and the ways in which its contexts changed over the sixty-one year period.

Lorsque les parents du jeune Jin emménagent dans une petite ville de Californie, celui-ci devient le seul élève d'origine chinoise de son école et se retrouve en butte aux moqueries et brimades de ses camarades. Jin multiplie les efforts pour se trouver des amis et tente dans un premier temps de faire oublier ses origines. Mais il réalise combien il est difficile de passer outre les stéréotypes qui lui collent à la peau. Il parviendra pourtant à trouver sa place et l'apaisement, en acceptant une part de sa culture d'origine, et surtout en s'acceptant lui-même.

This book provides a history of comic books, graphic novels, and manga, detailing the origins of each and providing an overview of their significance to young adult readers.

A Study Guide for Gene Yang's "American Born Chinese," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Chinese America - Stereotype and Reality is a comprehensive and fascinating textbook about the Chinese in America. Covering more than 150 years of history, the book documents the increasing importance of the Chinese as a social group: from immigration history to the latest immigration legislation, from educational achievements to socio-cultural and political accomplishments. Employing the author's detailed knowledge of the Chinese Diaspora, combined with her meticulous research, the book explores the history, diversity, socio-cultural structures, networks, and achievements of this often-overlooked ethnicity. It highlights how, based on their current position, Chinese Americans are well-placed to play a major role in future relations between China and the United States - the two largest economies of the twenty-first century.

Asian American Mental Health is a state-of-the-art compendium of the conceptual issues, empirical literature, methodological approaches, and practice guidelines for conducting culturally informed assessments of Asian Americans, and for assessing provider cultural competency within individuals and systems. It is the first of its kind on Asian Americans. This volume draws upon the expertise of many of the leading experts in Asian American and multicultural mental health to provide a much needed resource for students and professionals in a wide range of disciplines including clinical psychology, medical anthropology, psychiatry, cross-cultural psychology, multicultural counseling, ethnic minority psychology, sociology, social work, counselor education, counseling psychology, and more.

"Harness the power of graphic novels to promote literacy and engage all secondary students with Teaching Graphic Novels by Katie Monnin! Address print-text and image literacies, from navigating text features to creating standards-based lessons on reading comprehension, fiction/nonfiction, written response, critical thinking, and media literacy. Complete with examples from graphic novels, professional resource suggestions, strategies that can be used with any graphic novel, cross-indexes of middle and high school graphic novels and themes, reproducibles, and extra support for English-language learners. Teaching Graphic Novels was a finalist for both the 2009 ForeWord Education Book of the Year and the 2010 AEP Distinguished Achievement Award in the 6-8 Curriculum and Instruction category!"

Media Queered is a groundbreaking assessment of minorities and the media. Authorities including Larry Gross, Edward Alwood, Lisa Henderson, and Marguerite Moritz join several new scholars to examine four aspects of visibility: history, expertise, popularity, and technology. To supplement this research, media practitioners including journalists working in the gay and mainstream press contribute a unique series of interludes. The first is by Studs Terkel, who interviewed founders of the U.S. homophile movement. Written for scholars, students, and instructors of media and gender studies, Media Queered is also accessible for general readers intrigued by the recent flowering of queer characters, themes, and images in popular culture.
