One of the glories of Elizabethan drama: Marlowe's powerful retelling of the story of the learned German doctor who sells his soul to the devil in exchange for knowledge and power. Footnotes.

THE FALL is an experimental graphic novel about Satan's fall from power by author and artist Q. But this reinvention of the classic mythological tale of war in heaven is told from one of the Devil's minions' perspective. This illustrated Q&A with a fallen angel ~ where the author Q interviews a fallen angel A ~ tells the strikingly remorseless story of Archangel Lucifer's struggle for power and fall from heaven after his failed rebellion against the Almighty. It is a story about the struggle for power unlike any other, and yet it feels so familiar that it cannot help but be

seen as the story of each and every one of us. And though you would expect a sympathetic telling of Satan's story from one of his fallen angels, it will surprise and succeed by being a stark and unforgiving tragedy of mythic proportions that spares no one, least of all Satan. "The Fall is an elegant and thought provoking meditation on power, love and fear." ~ NYC painter Charles Schick.

When I fell, I fell hard. After refusing to choose between good and evil, high or low, Heaven or Hell, I

was exiled and fell from my pedestal and landed in a cesspit that was Earth. Stripped of my wings, and left with only two of the five gifts that I was gifted with from Him, I've been forced to live my immortal life amongst the humans. Make no mistake, as much as a punishment for choosing neither side this was supposed to be, it's become my sanctuary, my haven. Although a disaster when I landed, Earth has become my home, a place where I can blend with the humans, live my endless life moving from one place to another. That is until my home is invaded by four angels, all hell bent on making me to choose a side. They're in for a sure surprise when they realise my choice will forever and always be the same: humanity. A foreign concept to any angel. Well, any angel but me, it seems. Yes, humanity have their flaws, but so do I. I'll choose my perfectly imperfect life, and there's not a damn thing any angel can do to change that. So, yeah, I fell hard. But I fell for the flaws of being human even harder. \*This is a Reverse Harem novel! #whychoose\* Recommended 18+ due to mature language and situations.

Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this "terrific" novel (Stephen King). Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. *Falling Angel* was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid.
