Each chapter is individually summarized and analyzed, and has study questions and answers.

A dramatisation of George Orwell's classic satire, *Animal Farm*.

?? *Animal Farm* by George Orwell ?? *Animal Farm* is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. ?? *Animal Farm* by George Orwell ?? According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. ?? *Animal Farm* by George Orwell ?? The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described *Animal Farm* as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that *Animal Farm* was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". ?? *Animal Farm* by George Orwell ?? The original title was *Animal Farm: A Fairy Story*, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title *Union des républiques socialistes animales* for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, *Union des républiques socialistes soviétiques*. ?? *Animal Farm* by George Orwell ??

A satire on totalitarianism features farm animals that overthrow their human owner and set up their own government, only to develop into an equally corrupt society.

As a tribute to George Orwell, this little story looks at how different things could have been if only the animals had believed in the seven noble ideals Fighting the just war Democracy, equality & fraternity Progress and enlightenment Justice always triumphs Nothing but the truth Viva free enterprise Never lose faith

George Orwell was a novelist, essayist and critic best known for his novels *Animal Farm* and *Nineteen Eighty-Four*. He was a man of strong opinions who addressed some of the major political movements of his times, including imperialism, fascism and communism. *Animal Farm* was published in 1945 when Orwell, a democratic socialist, was angered at Joseph Stalin for betraying the ideas of the Russian Revolution. In fact, that is the basis of Orwell's book. The characters in *Animal Farm* resemble significant people that impacted the Russian Revolution. These characters act similarly to the real people and actions that were done in the past. Through this book, George Orwell exposes Stalin's true nature and evils using a corrupt pig named Napoleon that eventually dictates the farm. *Animal Farm* is one of the most influential political texts ever written.
